CLASS OF 1939

Four years ago one of the largest freshmen classes ever to enroll invaded this institution. Knowing that success comes slowly, we set out cautiously to assimilate all that could be offered. Humiliated over the fact that we were immediately crowned with green caps we were easy victims in the annual tug-of-war, and a thorough drenching ensued. With each set-back new goals are attained and with the perseverance and a desire never before witnessed in this institution, the class of '39 strove forward.

Accelerated with each achievement we became recognized as a class with unlimited potentialities, and we found that new aptitudes presented themselves at every crossroad. We were not content with dreaming of what we could accomplish nor did we allow our talents to decompose in the clutch of opportunity, but with a spirit unknown on this campus we surpassed in every noteworthy activity.

Reminiscing, we think of the football, basketball, and other college sports in which we played an active part; but the oncoming classes will ably fill the positions and only memories will remain.

The underclassmen will miss our guiding hands and we regret leaving. We have enjoyed the fellowship and our work with our professors, all the friendships are deeply creviced in our furrowed minds.

Soon we will realize the intangible awards of a college education, and we will attempt to fuse it with the practices of the modern world. The Junior-Senior Banquet and all events have played an important part in our lives, and as we slowly walk down the steps of Pfeiffer Hall with our sheep-skins, it will be with a deep regret, but with the gratification that we have gained and are leaving a place for those who are desirous of the same cultural and intellectual development.

CLASS OF 1940

Just as any other class at North Central College, the Junior Class feels it is one of the best collegiate representatives of the students on the campus. Just because we happen to be the smallest class does not mean we lack quality. Our class is represented in practically every activity present on the campus.

Our third year is drawing to a close. How far we have traveled since that day we came as tender, green Frosh, each hoping to find a place for himself! Our first task was to get acquainted and to make ourselves known. Our splashing victory over the Sophs in the traditional Tug-Of-War across the roaring Du Page first established our class popularity. As Sophs we continued to uphold our record by pulling the Freshmen through the muddy waters. As Juniors, we have become more mature and refined in our course of pleasure-seeking. Our banquet in honor of the Seniors was one which merits a page in campus history. We donned our Emily Post manners, our formal attire, and our happiest smile, and whisked away to enjoy an evening of fun, food, and fellowship in the luxurious setting of the Medinah Country Club.

We are going to miss our friends, the Senior Class, when they leave us this June, but we have great aspirations for next year. We feel that we have learned a lot about this business of living, and next year will give us a chance to prove it. So with our hopes and ambitions running high, we pledge ourselves to a bigger and better Senior Class in 1940!

CLASS OF 1941

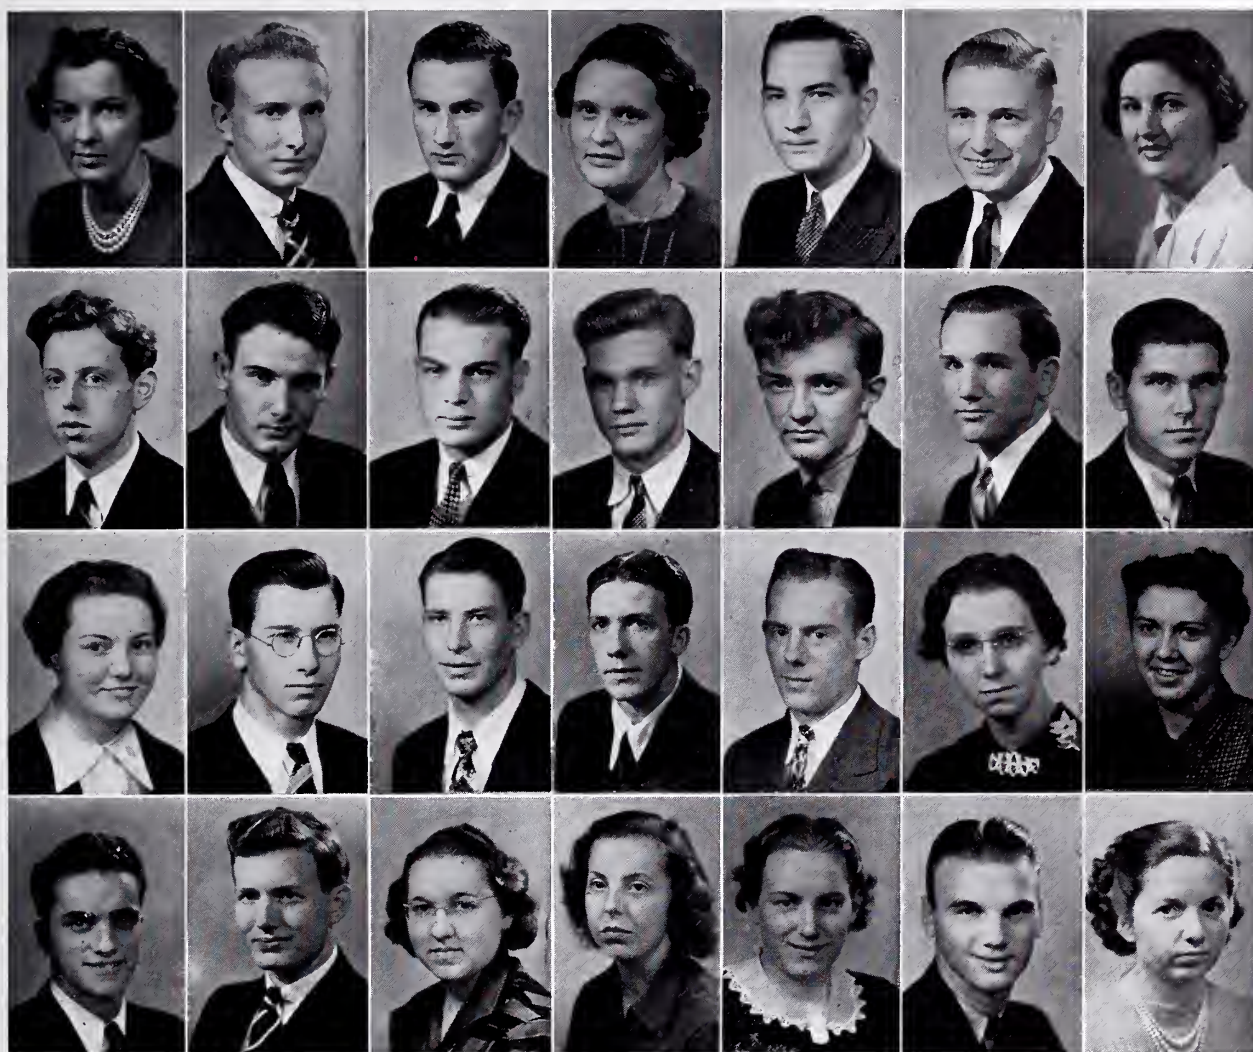

September welcomed back to North Central College an unusually large number of last year's Freshman, who returned with the same pep and spirit that this class of '41 exhibited in its debut at this institution.

In the field of athletics—basketball, football, baseball, wrestling, and especially swimming and track where we have two fine Olympic prospects—the class is outstanding.

The first victory of the year occurred in October when the Frosh were pulled through the roaring Du Page in the record time of four minutes and fifty seven seconds. We didn't even get our feet damp while the wearers of the Green had a "moisture layden" truck through the muddy deep. The well lubricated pole on Fort Hill Campus foiled us for a moment but we can still "point with pride" to the fact that the Frosh could not reach the coveted cap either and after twenty minutes of battle the mighty Sophomores seemed to have the best of the scrap.

We must not forget the scholastic standing, for here again the class has achieved high recognition. In college plays and musical productions, the Sophomores have taken an active part, thereby proving to all students that we are indeed versatile.

With two years down and two to go we are certain that we will achieve even greater success; so—here's to the Class of 1941!

CLASS OF 1942

Of course, it's said every year, but we have the statistics to verify it, that this is the largest Freshman class ever to swell the ranks of North Central College. It's been said that there is strength in numbers, but we have proved that we have quality as well as quantity.

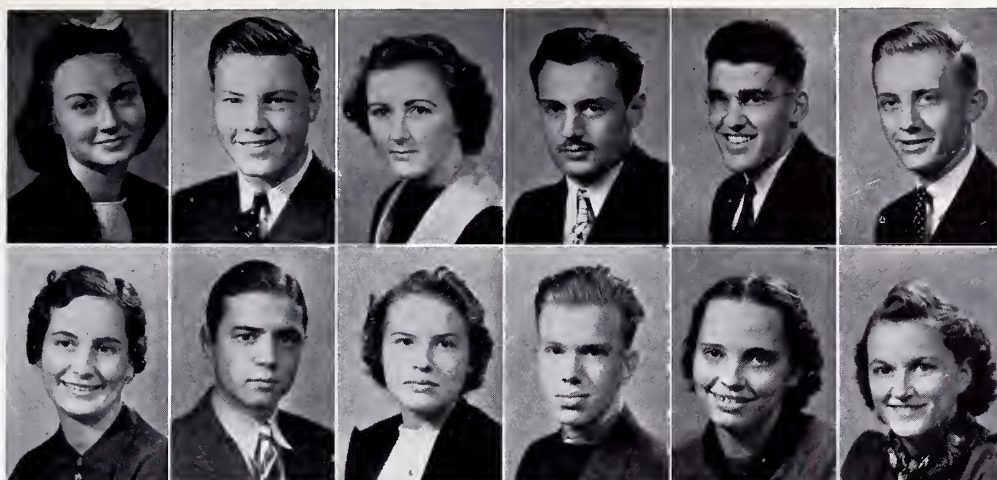

The ignominy of the DuPage episode needs slight memory-provocation. However, our intrinsic merit started to rise when we could claim at least a draw with the Sophs, who were as unsuccessful as we, in trying to scale the lubricated flag pole. What goes up must come down, and the boys did come down, if they were lucky enough to get a ways up at all, in a tangle of bodies, arms, legs, torn clothing, and greasy dirt.

Homecoming symbolizes our release from the bondage of the discriminating "pots". Being free to assert our democratic spirit, we promptly elected official leaders for our class and became an integral part of college life. We've been active contributors to all its phases, and especially so in dramatics, speech, writing, and athletics. (Now don't say you've never heard of the inimitable Frosh football and basketball teams!)

We've accumulated plenty of steam this year, and now watch our smoke!

Third Row—POOLE, RUCE, PLUMLEY, KEITH, WAFLE.

STUDENT COUNCIL

"Yeah, and the linoleum is inlaid and imported, and we get twenty chairs and a full sized desk." Prexy Bossert was doing the talking. The subject of discussion was the furnishings for the new Student Council room, and the members were being more than usually attentive.

"How about drapes and venetian blinds," asked Marian Spreng with a potential housewife's instincts.

"We'll take care of all that," Elwood promised cheerfully.

Al Poole, Student Council Treasurer, asked a question at this point. "Is there a discount for cash?"

"Two percent," announced Elwood as he kept on beaming.

"Better pay cash," Merwyn Plumley, Student Comptroller, suggested, "or you can never make it out of this year's budget."

After a reasonable length of time had passed to allow for the delivery and installation of the furnishings (the drapes are still coming) the Student Council Room was at last completed and ready for occupancy.

Here the Council meets every other Thursday night (usually) and considers routine business, campus problems that have arisen, and methods by which college functions and activities may be improved.

This year, the Council, under the spritely efficiency of its President, Elwood Bossert, ably administered all the duties which have been delegated to it. Stuart Shoger, with the aid of Vivadale Spiegler (ex Student Council '37-'38) covered more freshmen heads with green caps than had ever been accomplished before. Peg Hobart, as chairman of the Pep Committee, did everything except set off bombs to jolt the sluggish school spirit into wide-awake activity.

Gil Keith, the representative of the Athletic Board, helped coach the Tug of War. Don Waffler headed the committee that planned the highly successful 1938 Homecoming.

All members of the Council by their faithful attendance and open-minded contributions to the discussions were invaluable to the efficient functioning of the Council. And Professor Heinmiller, by his tactful and unbiased opinions, was an inspiration to good judgment and logical conclusions.

The members of the Council, besides disposing of routine affairs, voted to send Elwood Bossert as North Central's delegate to the meeting of the National Student Federation of America, which was held at Purdue University, Lafayette, Indiana, during the Christmas holidays. At this convention Mr. Bossert received many valuable suggestions and reported the student opinion of the nation on such matters of national interest as peace and economic problems. He had a good time, too.

But probably the way any one year's Student Council is remembered after its President and members have graduated is by its tangible achievements. At this time it seems that this year's Council's claim to glory rests on three major accomplishments. The first has been mentioned: The obtaining, the furnishing, and the maintaining of an honest-to-gosh Student Council room which is for the exclusive use of the Council members.

The second achievement is the subsidizing of the *Cardinal* student literary publication. However, whether or not the *Cardinal* can be financed by the Student activity Fee and, therefore, distributed free to every student, is still dependent on the proposed raising of the allotment of the Student Activity Fee next year. However, the Council's decision on this is noteworthy, since it promotes the struggling *Cardinal* to its rightful sphere—on a par with the other student publications: the *Spectrum* and the *College Chronicle*.

Due to pride and human nature all mixed up together, probably the single accomplishment for which the Council will be remembered longest is its scheme to give the seniors their just due—the honor of walking out of chapel right behind the faculty. Although this plan has been so recently inaugurated that its practicability is not yet certain, it seems that at last the seniors can trek into the fresh air first, leaving the juniors and underclassmen to wrestle with themselves.

The remainder of the year will probably bring some more noteworthy actions by the Council to the fore. After all, it's a good council—and this is only February.

CHAPEL CHOIR

First Row—MEREDITH, OLIVER, FUEHRER, DAUNER, PROF. PINNEY, HECKAMAN, RAECKER, BOYD, FRESHLEY.
Second Row—TELLINGHUSEN, JACKSON, BUSSE, TRACHTE, NIETZ, JACKSON, RAYNER, KIRKPATRICK, DOVERSPIKE.
Top Row—FRESHLEY, DILL, RUGE, DAUNER, FERCH, RIEBEL, MEHN, HIEBER, WAFER.

Under the capable direction of Professor Pinney a group of talented young men and women were selected to sing in chapel so as to lend to these services the atmosphere and beauty so necessary to a successful meeting.

Once each week they meet for the regular rehearsal in which they prepare music for the following three services. On special occasions the choir makes a particularly impressive appearance, gowned in long black and white vestments lending the proper atmosphere for the service.

This organization is frequently called upon to give vesper services and concerts in near-by towns, a pleasure which the members eagerly seize.

The North Central College Band has taken a very important part in the activities of the college from the Torchlight Parade of Opening Week to College Day, the climatic event of the school calendar.

The main achievement of the college band was the concert presented on the stage of Pfeiffer Hall on the evening of March 2. Under the expert direction of Dr. Frederick Toenniges, the band gave a skillful rendition of a program which varied from light classical to ultra-modern compositions.

With a membership of about fifty, the band performed for all the football games on Kroehler Field and also journeyed with the team to Elmhurst.

Members not on the picture are Alfred Tellinghuesen, William Aten, Gladys Donkle, John Worsley, George Barr, John King, and Charles Geiger.

Clarinets—MILLER, RITZENTHALER, BOEBEL, KOTTKE, POOLE, FRESHLEY. *Saxophones*—BOYD, RAECKER, YAGER. *Bass*—GEIGER. *Horn*—RAECKER. *Flutes*—RUSSELL, CLOVER. *Cornets*—BURTON, FRESHLEY, MAU, HIEBER, BRECHEISEN. *Trombones*—HECKAMAN, DAVIS. *Drums*—GRAUNKE. *Director*—DR. TOENNIGES.

Sigma Rho Gamma is a national honorary music fraternity, the membership of which consists of students in the college and music school who are majoring in music. Monthly meetings of this group are always made very interesting by speakers that are secured to give new ideas in the field of music. This organization also encourages the public performance of its members. The initiation of the new members at the beginning of the year consisted of a series of programs given by the pledges for the organization. Some of these students were very original and wrote their own compositions for the performance.

Sigma Rho Gamma also sponsors some of the regular Chapel services. In this way much of the talent of North Central music students is brought before the student body.

Sacred music, a dance from the sixteenth century, modern impressionism, and a number from one of the present-day light operas made an interesting and varied concert when it was presented by the Women's Glee Club on March 17. A guest singer from Chicago added to the fine quality of the program, while an octette from the Glee Club sang a group of Russian and gypsy folk songs. Under the competent direction of Miss Mary Cook, the Glee Club has enjoyed a year of diligent practice on music of fine quality and pleasing variety.

The Glee Club seeks to stimulate an interest in good music and to provide enjoyment in expression through music, and is open to those who prove themselves eligible for membership through competitive tryouts which are held in the fall to determine the members of the club for the season.

Y M C A

The YMCA has had a vital part in the campus program at North Central this year. It has touched every member of the student body in one or more ways. Its aim and ideals have been manifested in activities in many fields. Some of these enterprises and events for which the Y has been entirely or partly responsible during the past year are:

Student Handbook

Pi Nu Alpha, organization and banquet

Social Activities

Chapel Programs

Fellowships

Cold drink service in Y social rooms

Cooperation with Athletic Department

Maintenance of Upper Room

Delegate to Peace Conference

Organization of International Relations
 Club at N. C.

Daily Paper in Old Main

Sponsorship of Lake Geneva Conference
 delegates

Religious Emphasis Week

Maintenance of Social Rooms

Campus Speakers

In all of its activities the YMCA has continued to uphold the ideals and standards that belong to this organization. Its general aim is to give to each man on the campus a body, mind, character, and soul acceptable in the eyes of the ideal man—Jesus Christ.

JOINT CHRISTIAN ASSOCIATION WORK

In order to facilitate cooperation between like-minded organizations, the constitutions of the North Central YMCA and YWCA provide for a central Committee which has powers to initiate and supervise any joint action. The Christian Association leaders met in a Fall Retreat at the Garden Club Cabin September 10, and 11, where they appraised the programs of the preceding year in the light of the needs of the campus and discussed a program for the current year under the captions: 1. World Education; 2. Social Life; 3. Social Service; 4. Finance; 5. The Christian Message. At the Mid-year Retreat, Feb. 5, the first semester's activities were reviewed and the second semester's program revised in the light of the experience of the group. These Association

Retreats not only clarified plans and purposes but also made for closer harmony among the organization leaders.

Working jointly in a spirit of fellowship the Christian Associations planned and supervised the week of Religious Emphasis, several joint Fellowships, the International Relations Club, Vocational Guidance Week: "Y" Chapel programs, to mention some of the activities in the scope of the Central Committee. They were also instrumental in securing and entertaining other speakers such as Sherwood Eddy, Sam Campbell, and Lyman Hoover.

Relations with church and youth programs in the community were maintained. A notable contribution was sent from our campus to the Far Eastern Student Service Fund. A meeting was exchanged with the Student Christian Association of Aurora College. The peace plebisite was taken.

Spiritual culture, which is a basic part of our aim, was striven for through prayer groups, meditation services, the Upper Room sanctuary, and "The Upper Room" devotional booklet, chapel services based on the themes expressed in the hymn "I Would Be True", and the Religious Emphasis Week under the direction of Dr. S. W. Grafflin.

In all these ways we have sought to carry out our Christian Association theme for the year "The Kingdom of God on North Central Campus."

Y W C A

Friendliness has been the most significant characteristic of activities sponsored by the YWCA this year. Big and Little Sister friendships initiated the spirit which continued to permeate the life of the girls. The Friendship Fellowship at Christmas time provided an opportunity for developing fellowship between the dormitory girls and the "dormless damsels". In February the Heart-Sister Week again created new friendships and stimulated attitudes of kindness and pleasantry throughout the campus. Gifts to needy people and remembrances to those on the campus who were ill were part of our manifestation of the spirit of fellowship. The same attitude prompted many girls to share in committee work.

The scope of our work was covered by the following departments: Church Relations, Chapel, Social Service, Social Life, Fellowship, World Fellowship, Freshman Work, Finance, and Publicity. The secretary and representative to the Student Council are also valuable members in the Cabinet.

Some innovations in the interest of business efficiency were adopted. A new record system has been worked out which will be used for the first time next fall and which will provide for a permanent record of each YWCA member. The use of treasurer's requisition slips for all disbursements has proved successful. The Constitution was revised to meet national requirements and those of our local student council.

THE SEAGER ASSOCIATION

The need of education for the clergy was the immediate cause for the emergence of institutions of higher learning and although this necessity has spread to all fields, the Seager Association shows that North Central still considers the preparation of future ministers a vital and significant function. Under the name of the late Bishop Seager, who was always interested in lending a kind helpful hand to the young preacher, about thirty-five students, who have made a definite decision or are vitally interested in devoting their life to full time service in the Christian ministry, are united in this organization.

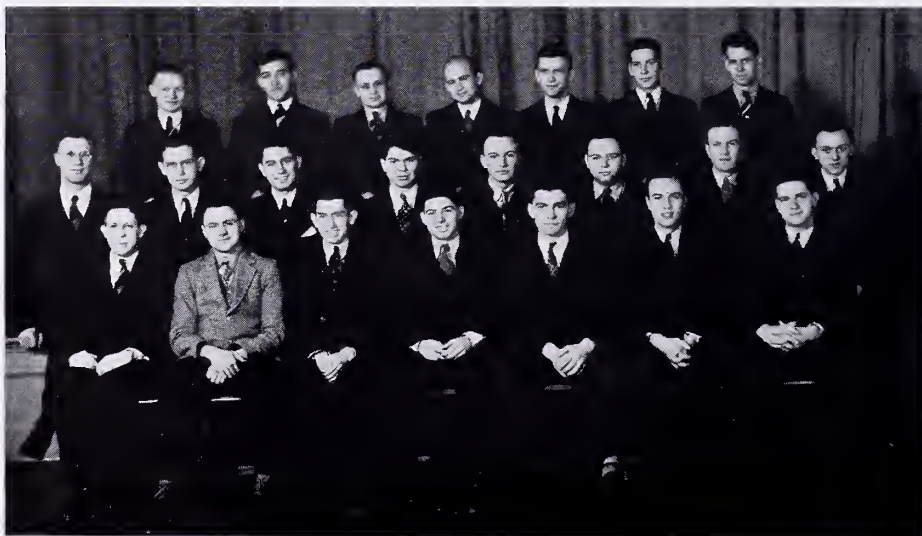

Each monthly meeting has a highlight in some speaker whose life is an evidence of the possibilities of Christianity. After presenting the talk, the speaker usually answers questions and suggests solutions for problems which the various members have. Besides the aid from their superiors the members also gain great benefit from close fellowship with those who have similar interests and convictions. However, social activities are not excluded from the program for these are essential to happy Christian living, nor are these activities restricted within the limits of the organization. A representative to the "Y" Central Committee gives the Seager Association a part in making the total religious program of the college more effective. The members also find great pleasure and satisfaction in association with the seminary students, who show their interest by inviting the group to prayer meetings in the Seminary Chapel.

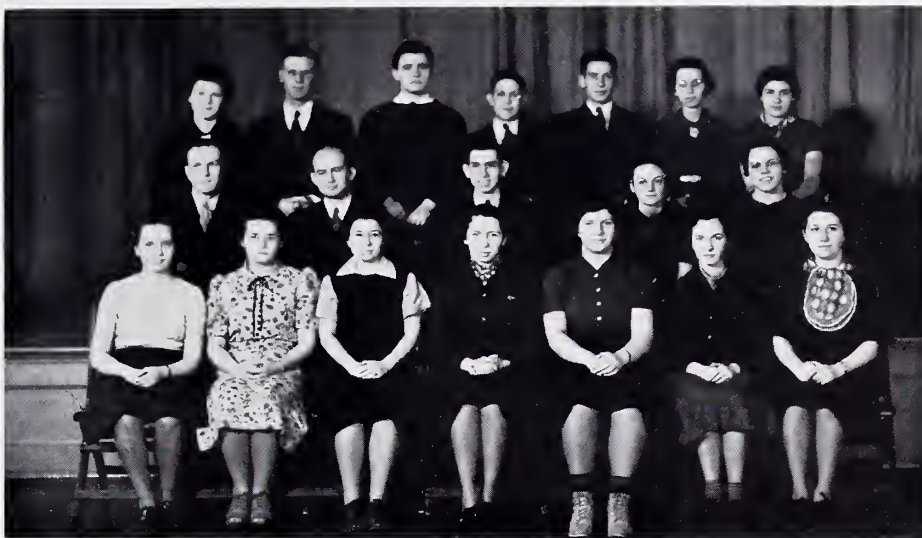

Through this fellowship the Seager Association aims to deepen the consecrations to the Gospel ministry among its members.

STUDENT VOLUNTEERS

The Student Volunteers is a Christian organization which is concerned primarily with missions. It is a part of the Chicago Student Volunteer Union and meets every Sunday morning in the First Church.

During the year there were many interesting speakers; Rev. Faust, missionary from Africa, spoke of the mission station as a lighthouse which has four beams, general influence, educational work, medical work, and evangelistic work; George Theuer, secretary of the National Student Movement, spoke of the organization's work; Mr. Johnson, native of India and Professor of Mathematics in Judson college in Burma, spoke on the development of Christianity in his country; faculty members of the college and seminary, and ministers of neighboring churches, gave interesting talks helpful to prospective missionaries. Students were given opportunity to lead the services, present musical numbers, and present study book reports. All of the programs have been very effective in rounding out a program that maintained a good interest and attendance throughout the year.

The high point in the social life of this group was the annual breakfast outing held late in the year. This was held in Pioneer Park, south of Naperville, where the group enjoyed a "camp-fired" meal under the soft rays of the rising sun. A short period of devotion in this natural setting, and the folks returned to Naperville in time for church services.

Though not large, this group of some thirty or forty college and seminary students is an influential part of North Central's religious life.

COMMERCE CLUB

With six years of social and intellectual experience behind it, the Commerce Club of North Central College has a record to be proud of. It has increased in size each year, and has succeeded in bringing before its members speakers of high calibre from the business world. Through such speakers, problems and questions of interest are brought to the attention of the members who some day themselves will be faced with like subjects. To the Club are presented talks of commercial value, such as the problems of personnel, vocational choice and guidance, and modern management.

The purpose of this organization, as stated in its constitution, is both social and intellectual, and consists of social parties as well as meetings of intellectual value. The meetings of the Club are planned by program committees, who prepare one meeting a month. Many special meetings are held throughout the school year as special speakers are obtained.

A student, to become a member of the Commerce Club, must have at least six semester hours of Commerce courses. The Club as a whole usually caters to those majoring in Commerce and to those who are interested in furthering the main purpose of the Club. Initiations are held twice a year, and how well are the initiated members recognized on the campus during their "tests"! This Club is recognized as one of the most popular departmental organizations of the College, and has successfully succeeded in forming a commercial organization of students interested in current business problems.

HISTORY CLUB

History, to many people, is dry and uninteresting, but not so to members of the History Club. To them it is more than a record of past events, names, and dates, because in reality it is a living subject that changes the form of its life every day. With this idea in mind, the History Club program this year has laid a strong emphasis upon the current events of the day, with special programs on those that seem to have a lasting historical importance.

Records show that the History Club has been active on the campus continuously since 1922. The present club is larger, has shown more enthusiasm and interest, than ever before. Under the hands of capable leaders, our program has been enlarged considerably. This year we have had not only a program committee, but also a social committee in charge of games and stunts in keeping with the topic under consideration for the evening.

Several projects for this year have included: a College League program, the Easter vacation trip, and a trip to Field Museum in Chicago.

Dr. Attig's zeal for history and his colorful dramatization of events has again made him all that a good sponsor should be. Dr. Lyman White has also actively associated himself with the program of the Club.

The club of this year has shown what can be done when good plans are laid, and carried out.

CHEMISTRY CLUB

Although younger than most of the clubs on the campus, the Chemistry Club has proved to be one of the most active.

An average of twenty members attended the regular meetings each month and heard a North Central alumnus and several chemistry teachers from neighboring cities speak on topics concerning the industrial and professional phases of chemistry.

Frequent field trips were taken, including visits to a steel mill, an oil refinery, a sewage disposal plant, and the production plants of Argo, Swift's, Central Scientific's, Armour's, and Searle Drug Co.

Membership in the club consists of enrollment in any advanced chemistry course. However, to freshmen are accorded the privileges of associate membership.

The club was organized to stimulate interest in the field of chemistry and to promote a professional attitude on the part of the students toward chemistry.

The Christmas tea, to which the entire chemistry department (and practically the rest of Goldspohn) was invited, was sponsored by the club. The organization also takes charge of the annual Chemistry Exhibit displayed as one of the College Day features.

For those club members who are interested, plans are under way to affiliate with the Student Associate Group of the Chicago section of the American Chemical Society.

It is the hope of the club to add still more to the interest of the discussions and to increase the membership of the group by inviting professional chemists, chemistry teachers, and others connected with the chemical field to attend meetings as associate members.

HOME ECONOMICS CLUB

The purpose of the Home Economics Club is to promote friendship within the department and to give in an informal manner the latest development in this field. During the past year the thirty-five members enjoyed a program of interest, education, and congeniality.

In the early fall an informal reception for interested Home Economics students was given by the two sponsors, Miss Snyder and Miss Quilling. The formal initiation of the sixteen new members was the highlight of the first regular meeting. During the year the programs consisted of special speakers, interesting reports, experience talks from graduates of the College, and informational speeches on the organization of Home Economics in other countries.

During the course of the year the Club carried on a most worthy project of furnishing play materials and supervising the play room in the Social Service Department of the Children's Memorial Hospital in Chicago. Every Saturday two girls have volunteered for this unusual opportunity of supervising the play room.

The outstanding social event of the year was the annual formal dinner held in March at Julia King's Tea Room in Aurora. It was evident that the training received in the Home Economics Department was put to use as far as etiquette at the table and social manners were concerned. The year's activities were climaxed by a social "good time" at the annual steak fry held on Fort Hill Campus.

WRITERS' CLUB

The Writers' Club of North Central College is an all-college organization which originated to provide opportunity for any student or faculty member to obtain criticism of original writings and to observe the various reactions of club members to their literary efforts. Meetings are held fortnightly and are quite informal in character.

This year the Writers' Club, in collaboration with Sigma Tau Delta, organized, edited, and published the fourth annual issue of *The Cardinal*, the North Central College Writers' magazine. This publication, compiled by the members of the club under the direction of Professor Harold E. White, contains the original poems, essays, and short stories written by students, alumni, and faculty members.

Toward the opening of this school year a new feature was inaugurated. Prizes were presented for the best compositions contained in the 1937-38 *Cardinal*. The Ferner Nuhn Prize of \$10 was awarded to Helen Nash for her poem entitled "Time", while Ruth Bauer received the \$5 Cardinal Prize for her sketch, "Lady, Lady". These prizes have been established as annual awards to be continued in connection with future editions.

An essay which appeared in the 1936 *Cardinal* was recently selected by Lippincott and Company, publishers to be printed in one book of a series of high school texts. Other material from past issues has been reprinted in newspapers and magazines and *The Cardinal* is rapidly becoming an avenue of communication between North Central College and the outside literary world.

PARNASSUS

Parnassus is the medium through which North Central's budding Rembrandts may enjoy contact with others of similar interests and enrich their knowledge, their appreciation, and their enjoyment of art. The aim is to sponsor the enjoyment and appreciation of art. To realize this ideal, individual endeavor and research guided by those experienced in art and criticism of art, together with group study, is promoted by the association. The membership of Parnassus consists of any students, or faculty members of North Central College who profess a sincere interest in art. Regular meetings are held on the fourth Wednesday of each month.

The activities of Parnassus during the past year have been several and varied. In February a colorful ceremony, featuring the berets, bows, and palettes always associated with artists initiated a large group of new members into the club. Leather work was the main project of the year. This undertaking was hailed with enthusiasm, and carried out with pleasure. The results—vests, wallets, sandals, belts, and various other attractive and useful leather articles—were well worth the effort and time spent on them.

In the absence of Mrs. Houck, the regular instructor in art, Parnassus was capably guided by Miss Eleanor Rush whose understanding and enthusiasm for art have done much to make this past year successful and pleasurable for Parnassus.

Primary Purposes:

1. To record a running account of college life at North Central College.
2. To convey to the students correct, detailed information which would be difficult to distribute sufficiently otherwise.

General Policy: To bring to North Central students:

1. An accurate resume of past events.
2. A preview of coming events, with as complete information as possible up to the time of going to press.
3. A certain amount of recreation—throughout the paper.

Originality and accuracy were the two main aims of the North Central Chronicle staff this past year. Combining cleverness with factual material we have striven to present an accurate and vivid picture of life from week to week on the North Central campus. Several regular features were included each week. A column written by Ed Rohrs on questions of national importance appeared weekly on page one as was at least one feature story of life on the campus.

Seven other columnists, each an expert in his subject, kept the student body informed on sports, faculty personalities, humor, poetry, student personalities, 'unscheduled' campus doings and student opinions. It was the general opinion of the staff that this aspect of the paper was the most important.

Complete news coverage was insured under the able guidance of the news editor, Guy Oliver. Prewrites of coming events were featured, and very little rehashing was done unless for the purpose of editorial comment. We have tried to keep the news interesting by varying headline types in three different ways. First, we used the conventional newspaper head. Then, we utilized the stream-lined 'flush' head with all three lines starting at the left margin of the column. Lastly, we looked into the future with a 'rocket' type of heading, which featured the lead of the story in the headline itself. All of these variations were undertaken with but one aim: to rightfully hold reader interest. We hope that we have succeeded.

As editor, I wish to place the worth of our efforts where it belongs: on the shoulders of the staff members who so faithfully provided copy for the thirty issues of the paper.

The purpose of the SPECTRUM is to give an accurate account of the year's events.

If you find, in years to come, that this book recalls many memories of your college life, we will feel that our efforts have been worthwhile.

It is needless to say that there is incorporated in this edition the work of many people, and to them we wish to give credit: To Mr. Rogers, of the Rogers Printing Company, for his advice in helping us surmount our technical difficulties; To Mr. Hammersmith, of the Hammersmith Engraving Company, for his guidance and prompt service; To Mr. Moore, the official photographer, whose hard work has made this book more readable by many pictures; To Gordon Kastner, the Associate Editor, for many hours of hard work on tedious tasks; To Karl Parker, the Sports Editor, whose fine knowledge of journalism resulted in a well written Sports section; To Elizabeth Emmert, Women's Sport Editor, who completely planned, wrote, and edited her section; To Roberta Abell, the Activities Editor, whose novel ideas, plus experience earned editing the Chronicle, proved to be a great asset; To Fern Heinhorst, the typist, our thanks for neatly typing the copy found in the SPECTRUM; To John Baird, the Associate Business Manager, for his cooperation and diligent work; and last but not least, to the students of North Central for their cooperation when called upon to appear for individual and group pictures.

It has been a pleasure to prepare this book, and we sincerely hope that it will bring much enjoyment.

SOCIAL COMMITTEE

Events sponsored by the Social Committee:

Oct. 8—Roller Skating

Oct. 15—Freshman Reception

Oct. 30—Library Tea

Nov. 5—Party

Nov. 12—Sports Party (Planned by W.A.A.)

Nov. 19—Mr. Edgren—Party

Jan. 6—Roller Skating

Jan. 14—Old Fashioned Party

Jan. 27—Roller Skating

Feb. 26—Sweetheart Tea

April 1—County Fair

April 22—Party

Social events listed on the calendar look very simple—as if they take place on the scheduled date without any effort. But the truth is, much effort is expended.

Assembled in the easy chairs of the parlors the committee and chairman discuss the “next” social affair. The occasion is very informal. Everyone is ready to shove the suggestion that “he take charge of this party” off onto somebody else. A few are so modest about their own talents that they start a persuasive argument which ought to make them feel worth less than two cents after they have convinced the committee that they “just aren’t capable of doing it”.

Miss Meier is a good manager. She assigns the work to sub-committees. Sometimes they are asked to investigate costumes, to plan a certain type of entertainment, to find helpers, or even to clean up the mess from the last party.

It happened that a date is set for a party but the Committee can think of nothing that would sound attractive to the student body. Then one member will say, "How about a roller skating party?" Those present, always glad to please and glad for the vacation, will chorus, "Fine!"

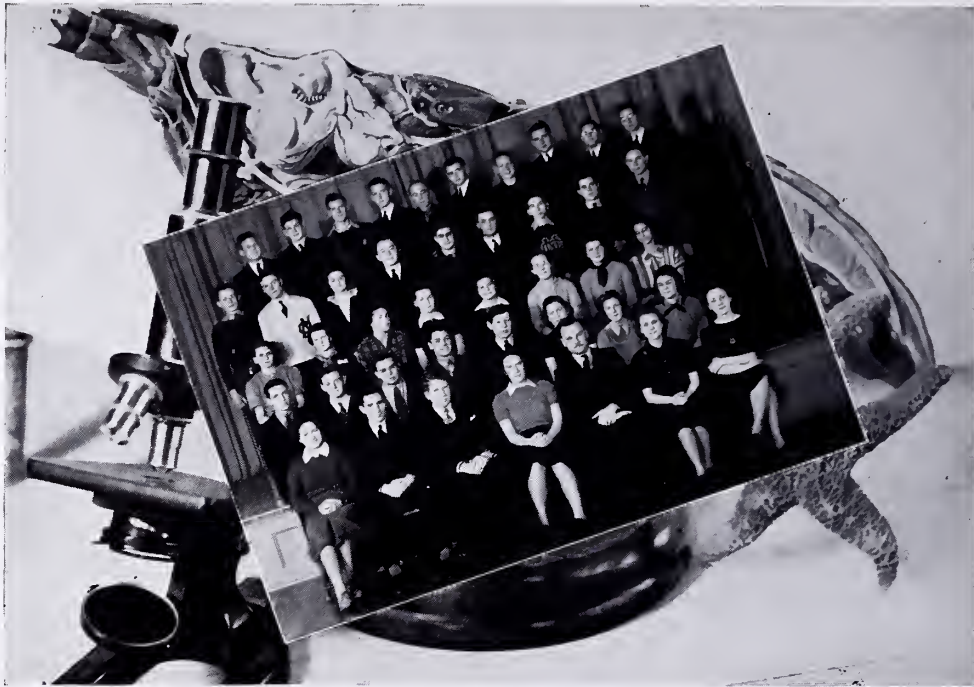

Although this sounds as if the committee gets out of work quite often, there are three affairs which require much time and extensive planning. They are the Freshman Reception, the County Fair, and the Garden Party.

In October of each year the new Freshman class is given a formal introduction to the upper classmen. On the afternoon of that day committee members get out historic relics in the way of tapestries, shields, crowns, and thrones. By evening Nichols Hall is transformed into a formal court presided over by North Central's King and Queen.

Where the most beautifully gowned coeds win admiration at the Reception, the fellow with the most hayseed in his hair wins acclaim at the County Fair. Penny hot dogs and numerous bags of popcorn are consumed by the attending public. The fortune teller does her best to reveal "who the latest is and what's going to come of it". Usually there's canoeing on the pool and other pleasurable concessions. Shows of all kinds abound—the minstrel and marionette being the most popular. At the County Fair anything and everything may be expected.

But it is the Garden Party which makes the Social Committee feel its duties. Last spring whole trees and bushes were dragged to the fieldhouse. The unreceptive floors of Nichols Hall were transplanted into a Southern garden with its moss-hung trees—a colored man's shack—and a Georgian mansion. This party formerly given every year has been changed to an every-other year affair.

ZOOLOGY CLUB

It's a Monday evening about 7:35 in the Kaufman Hall parlors. There's a long line of cars outside and a persistent chatter inside—both conditions indicative that something's going to happen. The President does a bit of pounding and pleading: "Will the meeting please quiet down?" We can see it all now—it's a typical meeting of the Biology Club.

"At this time Miss Vivian Johnson will review that current best seller, "The Horse and Buggy Doctor" by Hertzler," announces the president. Miss Johnson entertainingly proceeds to summarize the book, inserting critical comments, and reading excerpts here and there. She finishes and the group applauds.

"Now, Mr. Everett Schaeffer will review the paper he has prepared on "Twins and Twinning," again introduces the president. And Mr. Schaeffer gives a lucid, yet comprehensive, and all the time interesting account of the history, causes, heredity, and significance of multiple births among humans. At the conclusion of his talk, he answers numerous questions that have arisen among the interested listeners.

After the last question has been answered, the president intersperses the happenings in the world at large with personal items about students in the department and bits of research.

The meeting ends with chuckles and comments and hints of forthcoming parties and field trips. All Zoology Club members work enthusiastically to prove to the rest of the school that it's the "liveliest" organization on the campus."

DELTA TAU LAMBDA

Organized in 1936, the Delta Tau Lambda Engineering Club made its appearance on the North Central Campus for the purpose of promoting fellowship, scholarship, and social activities among the prospective engineers. The club attempts to give its members an insight into the particular phases of engineering which are not available at this school and to acquaint them with the modern requirements that science and industry make upon a young engineer.

As a special inducement for its members to better their scholastic standings the club annually presents its qualified members with a very distinguished key bearing the initials of the club. In order to qualify for this key a member must have completed fourteen semester-hours of engineering work, carrying an average grade of "B", along with a "C" average in all other subjects. Also it is necessary to present a talk at one of the club meetings, and be recognized as a member in good standing by the executive committee.

Thus far the high points of this years club activities include very interesting and educational trips to Lewis Institute of Technology, the Insurance Underwriters Laboratories, both in Chicago, and the Universal Oil Products Co., in Summit, Illinois. The outstanding meeting of the year was held in Professor Cardin's home in Downers Grove, Illinois.

The final and most prominent social function of the year is the annual banquet held near the end of the year. The feature attraction of this event is the presentation of the coveted club keys.

SIGMA TAU DELTA

"I think the poem shows real depth of imagination. Those similes are good—especially that one about the little cloud."

"The meter is off in a couple places, though. That really could be improved."

"Oh, I don't know—that one place in the first part where there aren't enough beats indicates a change of thought. I think that's rather effective."

"Just what is the author trying to show in that part that begins 'life-giving slants of rain?'"

This conversation is taking place at a meeting of the Gamma Nu chapter of Sigma Tau Delta. The members sit in solemn conclave and pass judgment on this month's crop of essays, poems, short stories—and, maybe, even a full-sized play.

The topics vary. There is an essay on "Whipped Cream," five poems on widely assorted topics, and a short story with a rustic setting. When the last manuscript has been mutilated, every one settles back amicably and enjoys refreshments.

The members enjoying this evening's entertainment are chosen from the English majors. The requirements they fulfilled for membership are high scholarship and an active interest in English. The present active membership is twenty-two.

Probably the biggest endeavor of the year for Sigma Tau Delta is its collaboration with the Writer's Club in publishing *The Cardinal*. This literary magazine, which has been gaining in favor every year since its first publication, four years ago, contains material written by many college students. Everyone is asked to submit material—the only criteria for acceptance is literary merit.

Another magazine in which Sigma Tau Delta members are deeply interested is *The Rectangle*, which is the official publication of the organization. Outstanding poems and essays by local members are sent in for consideration. The large number that have been accepted in the past years indicates the superiority of the literary talent found among North Central students.

ALPHA PSI OMEGA

Alpha Psi Omega, with chapters in nearly every college and university in the United States and provinces of Canada, is the largest dramatic fraternity in the country. The local chapter of this fraternity is Delta Epsilon.

The primary function of Alpha Psi Omega is to stimulate interest in dramatic art, and to provide an honor society for those excelling in that field. Membership in the organization is restricted to those who fulfill well established requirements. Any regularly enrolled college student with a scholarship average of 1.5 is eligible. However, to gain this national honor, he must have played one major role and one minor role, three minor roles in three act plays, or three major roles in one act plays. Activity in play production as costumer, stage manager, scene designer, electric technician, property man, business manager, or scenery executor is also required of initiates.

Delta Epsilon sponsors all dramatic activities presented by the Speech Department and under the direction of Prof. G. E. Oliver. A variety of productions, including "The Sap," "The Insect Comedy," "A servant in the House," "Friendly Enemies," "Jack and the Beanstalk," and "Romeo and Juliet," with a diversity of such themes as satire on mankind, war, romance, and light humor were presented through the season.

In the casts of these plays, Director Oliver used approximately one hundred students with outstanding work exhibited by Harold Kuebler, Elwood Bossert, Reuben Meierhenry, Albert Poole, Joyce Kirkpatrick, Laurel Schendel, and Jean Oliver.

Pi Kappa Delta is the strongest national forensic fraternity in the United States, being composed of one hundred-fifty chapters. North Central's chapter, Iota, is a member of the largest province of the fraternity, The Province of Illinois.

National conventions are held every two years to which North Central College sends delegates. The 1937-38 convention was held in Topeka, Kansas with two North Centralites in attendance. Province conventions are held every two years, alternating with the National Conventions, to which a large number of members and future members are sent for debate, oratory, and extempore speaking.

Each member is permitted to wear the Pi Kappa Delta key, which signifies by its jewels that the member has attained one of four ranks: fraternity, proficiency, honor, or special distinction. The value of these ranks is in the order named.

Pi Gamma Mu is the National Social Science Honor Society. North Central's Illinois Alpha Chapter is a charter member.

With the motto "Ye shall know the truth, and the truth shall make you free," the society seeks to stimulate interest among students in the solution of problems confronting society.

Membership is limited to those of Junior standing or above who have twenty or more hours in the social sciences with an average grade of "B". In addition, a vital interest in the scientific approach to social problems must be evident from the quality of academic work.

One of the highlights of this year's program was the public lecture given by Judge John Gutknecht of the Chicago Municipal Court. Each College Day the society sponsors an exhibit which reveals the nature of its program.

PROF. OLIVER

Chosen by popular vote, the members of the Forensic Board of Control, with the aid of Prof. Guy E. Oliver, Sr. as their adviser, direct the forensic activities of North Central College. These activities consist of freshman and varsity debate, extempore speaking, oratory, lectures, and reading. This varied program makes use of the most talented students of North Central College. Much of their work is on the other campi and in the social organizations of the Chicago area.

This year's program included the State Peace Oratorical Contest—to which North Central College was host, a State Oratorical and Extempore Contest, a State Debating Tournament, Pi Kappa Delta Province Tournament, and numerous two, three, and four-college meets.

The Publications Board of Control is composed of three professors, namely: Professor Kerr, Dr. Deabler, and Professor White; three members of the Student Council—Elwood Bossert, President; Merwin Plumley, Student Comptroller; and Kay Leedy, Representative at large; and the heads of the two publications, the Chronicle and the Spectrum—Hooper White, Editor, and Hugh White, Business Manager, of the former; Robert Younts, Editor, and Clyde Womer, Business Manager, of the latter.

The duty of this body is to elect editors and business managers for the above named publications, and to exercise a controlling hand over the expenditures. The editors are also held accountable to this group for any matter which they print, thereby giving to the Board the capacity of censors.

Next year this group will also exercise control over the Cardinal, the North Central literary magazine.

BETA BETA BETA

The candles, burning feebly, are the only sources of light in the room. G 21 is solemn and silent as the old Beta Beta Beta members sit awaiting the inevitable entrance of the initiates. After slight delays the pledges enter, and the impressive ceremony begins.

The stillness is broken by the words of the president as she outlines the aims and ideals of Beta Beta Beta, honorary biological fraternity. The three-fold purpose of the organization is intoned seriously: "... the development of sound scholarship, the dissemination of scientific truth, and the promotion of research."

After several more paragraphs of solemn injunction, the other officers compliment the pledges on successfully meeting the scholastic requirements, and further instruct them in the symbolism of the society.

And then, when all the magic words have been spoken, all solemnity is cast aside and a banquet and entertainment follows for the pleasure of the new members.

The Gamma Nu chapter of Beta Beta Beta was established on the North Central College campus in the spring of 1937. Membership is restricted to those majoring in the field of Biology and whose grade index is sufficiently high. The fraternity publishes a journal, *Bios*, which includes a report of recent activities of the various chapters and important research by its more advanced members.

Probably the most important project of Beta Beta Beta is its sponsorship of the lively Zoology club.

Athletics

ATHLETIC BOARD OF CONTROL

Seated—TANNER, FISHER, KEITH, DOMM, RICHERT.
Standing—BEEBE, ERFFMEYER, BIEBER.

The Athletic Board of Control is the governing body of all inter-collegiate Athletics at North Central.

It arranges schedules, determines budgets for each sport, keeps close check upon income and expense, and awards letters to men and women who have met the requirements athletically and scholastically.

The athletics at North Central are in all major fields—football, basketball, baseball, track and field, swimming and tennis.

The policy is not to over-emphasize athletics, but to promote spirit of good sportsmanship and keen competition.

The North Central College Varsity Club is the honorary athletic fraternity on the College campus. To become a member one must receive at least one major athletic award, participate in an initiation ritual, and pay a small assessment to meet expenses of the club.

A major athletic award can be won in any of the following sports: football, basketball, baseball, track, swimming, and tennis.

The Club this year was composed of about fifty active members whose efforts were directed to fulfill the purpose of the Club—to further the spirit of true sportsmanship in the field of inter-collegiate athletics, to secure future athletes from high schools who will be an asset to the College, and to maintain a unification of athletics with the rest of the school.

A special effort was made to make each regular club meeting an instructive event as well as a social get-together, by means of moving pictures, speaker, etc. Judging by criticism and attendance, we may say that we have succeeded.

THE COACHING STAFF

Success of the athletic program at North Central is due to the efforts of its coaching staff, Gordon Fisher, football and track; Leonard Bieber, basketball and baseball; Robert DeRoo, freshmen athletics; Gordon Bowman, swimming; and Dr. Irvin C. Keeler, freshmen football and varsity tennis.

To Coach Fisher, director of athletics at the college, credit must go, not only for the success of Cardinal teams in Fisher's own field—football and track—but also for the success of the entire physical education program. Perhaps the high-light in Fisher's particular field each year is the Midwest Intercollegiate indoor track and field meet, annually held in the fieldhouse in March.

Coach Fisher was graduated from the University of Minnesota in 1926. He took his graduate work at New York University. This marks his fourteenth season at the helm of North Central athletics.

To Leonard Bieber falls the burden of moulding a basketball team and baseball nine. Bieber has been at North Central since 1927. He received his degree from Cornell College (Iowa), and completed his graduate work at the University of Iowa. His teams never have finished below the .500 mark in intercollegiate competition.

Robert DeRoo, a graduate from the American College of Physical Education, succeeded Ezra Shafer, this year, as director of freshmen athletics. DeRoo hung up an enviable record as basketball coach of the yearling squad and capably assisted Dr. Irvin Keeler in football.

Gordon Bowman, general secretary at the Naperville Y. M. C. A., was appointed varsity swimming coach in September, and immediately that sport was pulled out of the doldrums. In fact, much of North Central's success in the water, both in dual meets and conference competition, was traced directly to Bowman's thorough knowledge of the sport. Bowman formerly had experience in the Lockport Y. M. C. A., Lockport, N. Y.

Dr. Irvin Keeler, professor of mathematics, proved his versatility by his capable handling of the freshman football squad, admitted to be one of the best in several years. Dr. Keeler is a graduate of Minnesota State Teachers College.

STUCKY

MORIN

CO-CAPTAIN HEILMAN

F. LEONARD

TIEFENTHAL

GILLOGLY

SHOGER

GRAMPSCH

Varsity letters were awarded the following men:

Seniors—Co-captains James Heilman and James Breen, Joseph Morin, Robert Steinhebel, Frank Leonard, Eugene Rikli, Stuart Shoger, Loren Yager, Everett Schaffer, William Aten, Charles Boardman, and John Tiefertal.

Juniors—Richard Hayden, Fred Gillogly, James Stuckey, Barrett Saville, and Wilbur Littleford.

Sophomores—Harold Riebel, Paul Grambsch, Robert Juhnke, and Dave Leonard. Student manager's letter was awarded William Nicholson. Robert Devine served as assistant manager.

At the annual football banquet following the season, Richard Hayden, quarterback, Yorkville, and Fred Gillogly, end, Hinsdale, were chosen to co-captain the 1939 squad.

Joseph Morin, halfback, Clinton, was named the most valuable man to the current team, and was given the trophy which symbolized this honor.

Throughout the year the squad was cut down by injuries. Wilbur Littleford, fullback; Richard Hayden, quarterback; Harold Riebel, fullback; Stewart Shoger, guard; Fred Gillogly and James Heilman, end—all were out of the game at some time with injuries.

A running account of the season follows:

North Central 34

McKendree 0

North Central had little trouble running over McKendree, 34 to 0, in the opener. The winners scored twice in each the second and third quarters and again in the fourth. Hayden scored two touchdowns, and Saville, Shoger and Littleford one each. Frank Leonard place-kicked four extra points.

STEINHEBEL

SAVILLE

RIEBEL

CO-CAPTAIN BREEN

RIKLI

D. LEONARD

JETER

YAGER

North Central 0

Carroll 7

North Central turned in one of its better performances of the season, but lost to Carroll at Waukesha, 7 to 0. Without the services of Wilbur Littleford, varsity fullback, the Cardinals were weakened on offense, and could not match a second half Carroll score.

North Central 6

Wheaton 7

By the slender margin of the point after touchdown! That was the extent of the first Wheaton victory ever scored upon a Fisher-coached eleven.

After quarterback Richard Hayden had taken the opening kickoff back 95 yards to the Wheaton goal, the Cardinals were content to play a conservative game. Superior reserves turned the tide of battle in the second half, with Pat Patterson scoring for Wheaton in the 4th quarter. Bill Ibsen was then rushed into the game to place-kick the extra point. He did! And Wheaton had defeated North Central for the first time since 1925.

North Central 20

Elmhurst 7

Bounding back with a vengeance after the Wheaton struggle, North Central ran Elmhurst into the ground with a 20 to 7 victory. Richard Hayden was the offensive show with touchdown runs of 4, 65, and 35 yards. Leonard added two extra points. Harold Riebel, sophomore guard, was moved into the fullback post for the ailing Stewart Shoger, and gave the Cardinals new strength in their running attack.

STONER

ATEN

JUHNKE

LEHR

North Central 7

Augustana 6

The Cardinals rewarded a homecoming crowd of 2500 with a 7 to 6 victory over Augustana in a terrific battle that all but wrecked North Central man power for the remainder of the season.

North Central scored in the first quarter, Riebel plunging over for the final two yards. Frank Leonard added the extra point with a place kick that meant victory.

Augustana scored on a 35 yard pass, Tangorra to Hoglund, in the second quarter, but failed to convert the extra point. Augustana depended largely upon a passing attack, with their offense on the ground completely throttled by the superior Cardinal line.

North Central 0

Monmouth 14

A crippled eleven fell to Monmouth, 14 to 0, the week following the Augie game. An elusive 155 pound back, Ray Scopecci, stole the show with a pair of touchdowns in the first and second quarters.

Despite the loss of Hayden, sparkplug back, North Central actually outplayed Monmouth throughout the second half. Barrett Saville and John Tiefenthal, filling in for Hayden, turned in creditable performances.

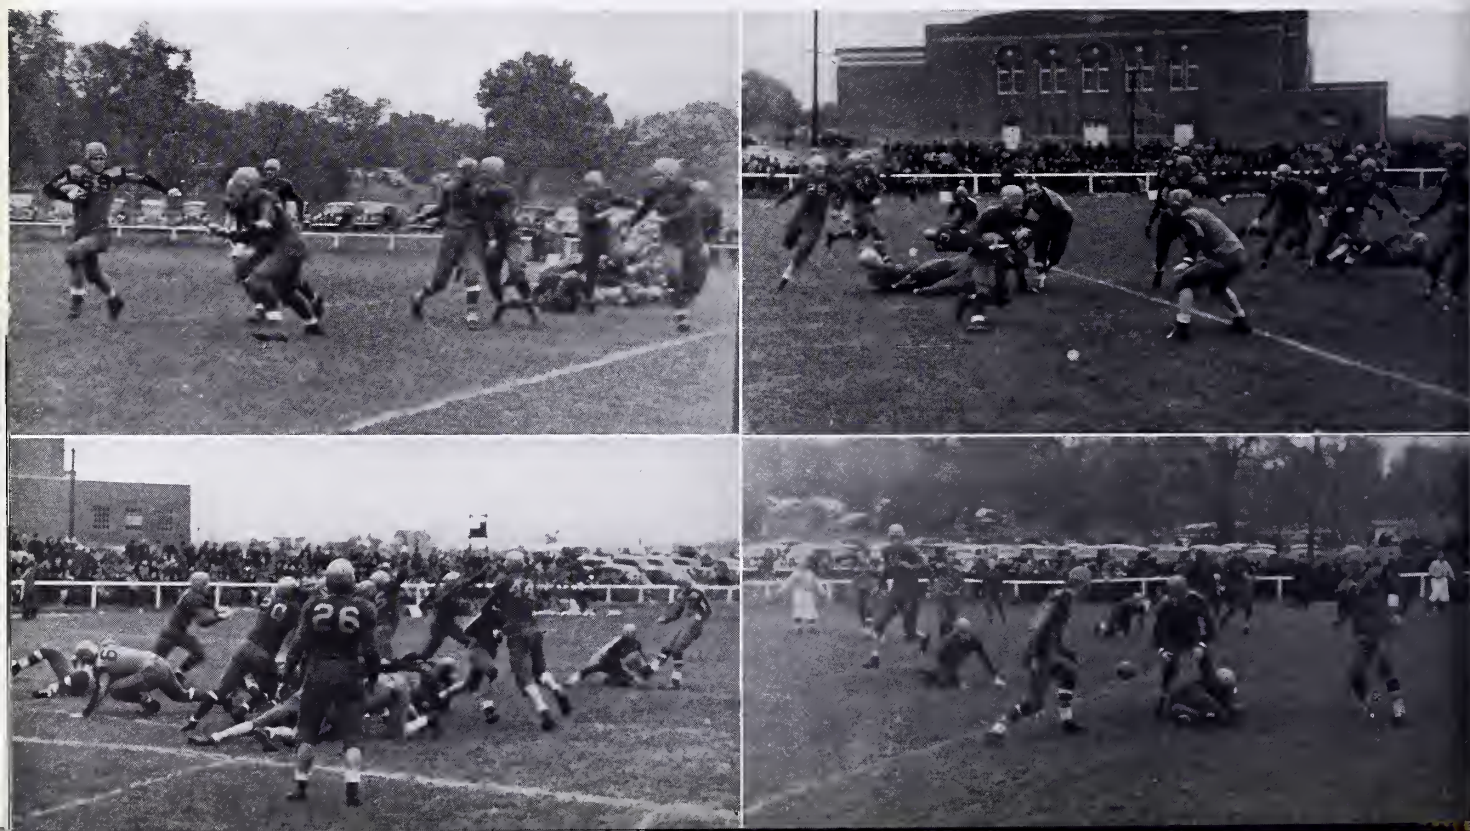

North Central 6

Lake Forest 21

The unbeaten, untied Lake Forest eleven, headed for the mythical championship of the Illinois College conference, experienced more trouble than was expected in conquering its 7th opponent of the season, 21 to 6.

North Central threw up a stubborn defense and rallied to shake Morin loose for a touchdown in the closing minutes of the 4th quarter.

NORTH CENTRAL VS AUGUSTANA

First Row—DICKSON, GIBSON, ANDERSON, SHATZER, KOONTZ, FERRINGTON, JENSEN. *Second Row*—COACH KEELER, WEHRHEIM, GEIGER, HERBEN, SIMMONS, STRONG, COACH DEROO. *Third Row*—DEVINE, SPRENG, PAGE, SCHENDEL, JEFFRY, DOWNS. *Top Row*—LEE, BECK, HOFERT, SCHMIDT, SCHULTZ, RUSSELL, BOETTCHER.

FRESHMAN FOOTBALL

It was generally conceded that the 1938 freshman football squad was the best in four years. Twenty-seven yearlings made up the yearling team that won two games and lost one.

The squad, coached by Dr. Irving Keeler of the mathematics department, and Rober DeRoo, a newcomer on the North Central coaching staff, ran roughshod over St. Procopius Junior College of Lisle, 19 to 0, and The American College of Physical Education, 32 to 0.

In these two games every member of the squad saw action, with Richard Koontz, tackle, Robert Schmidt, guard, Byron Boettcher, end, Gale Gibson, center, William Shatzer and Walter Anderson, backs, leading the freshman attack.

The climax game of the season saw the freshmen lined up against the yearling outfit from Wheaton. Playing in a driving rainstorm throughout, the attack of both elevens was slowed considerably, Wheaton finally scoring on a North Central fumble in the last quarter to win, 19 to 13.

Shatzer ran through a broken field in the third quarter for North Central's second touchdown after Anderson had plunged for the first score in the opening quarter. Anderson's injury shortly after his touchdown plunge weakened the North Central attack, which missed the services of an adept line plunger.

At the close of the season numerals were awarded to Walter Anderson, George Barr, Albert Beck, Byron Boettcher, Bruce Bishop, Ted Collitt, Ralph Dixon, Richard Downs, Ray Ferrington, Charles Geiger, Gale Gibson, Herbert Hofer, Robert Herben, Robert Jeffrey, Derwood Jensen, Richard Koontz, Dennis Page, Sam Russell, Lyndon Schendel, Robert Schmidt, Marvin Schultz, William Shatzer (captain), James Simmons, Richard Spreng, Lee Standley, Robert Strong, and Robert Werheim.

North Central ..	27	Armour	48
North Central ..	26	Loyola	40
North Central ..	42	Beloit	33
North Central ..	34	DePauw	41

Swimming, which has been booming at North Central for the past three years, reached a new high this season with the development of the best squad yet. Led by an Olympic prospect, Harold Henning, and captained by Howard Olsen, Chicago senior, the red and white mermen triumphed in three of their dual meets and came within one point of Illinois college in a nip-and-tuck battle for the conference championship.

Victories were chalked up twice over the Beloit college squad and once over Armour Tech of Chicago. Good Balance in all events except the breast-stroke enabled Coach Gordon Bowman's charges to make a good showing against all their opposition including the University of Chicago.

Henning broke records with astounding regularity. He chalked up new marks in six of the eight dual meets and added two new conference marks to his string in the last meet of the season.

Seven men placed in the conference meet to give North Central a point total of 36, one behind the defending champs, Illinois college. Henning won the 50 yard free style in 24.2—a new record; the 100 yard free style in :55.6—a new record; and successfully defended his crown in the 100 yard back stroke. Hooper White finished second in the back stroke and won the fancy diving. Guy Oliver placed a close third in this event. Kime Aspray collected a fourth in the 220 yard free style.

North Central's free style relay team—Howard Olsen, Gil Keith, Kime Aspray and Harold Henning—was half a second behind Illinois' winning quartet. The Cardinal medley team—Hooper White, Dan Martin and Howard Olsen—was nosed out of a second place by two-tenths of a second.

This year's conference meet, held in the North Central field house, was a two-way fight between Illinois college of Jacksonville and North Central. One point separated these two teams while Bradley Tech, third place winner, was 26 points behind North Central. Illinois had jumped to an early lead with victories in the free style relay, the 100 yard breast stroke and the 220 yard free style, but North Central came up with Henning's victories in the 50 free, the 100 free and the 100 yard back stroke events.

North Central went into its first and only lead of the meet after White and Oliver had taken first and third in the fancy diving. All that North Central needed to do to win the meet was to take a second to Illinois college in the medley relay. Augustana edged the Cards out of a chance for the first place trophy by taking second place two-tenths of a second ahead of North Central.

Letters were awarded to Captain Howard Olsen, Kime Aspray, Harold Henning, Hooper White, Gordon Streib, Elwin Yoder, Guy Oliver and Dan Martin. The manager's letter was awarded to Bob Younts.

Prospects for an even better team next season are bright with a fine bunch of frosh coming up. Captain Olsen and Kime Aspray are the only graduating seniors. Most promising of the first year men are Ted Muellen, free style; Howard Wehrheim, back stroke; and Don Ostroth, diving. A much bigger squad is predicted with the probability that the burden of swimming more than one event will be more evenly distributed. Hooper White will captain the 1940 team.

Season's record—Won 8; Lost 8

COACH BIEBER

MANAGER WHITE

Lack of reserve power, an exceptionally tough sixteen-game schedule, and ineligibilities cut the North Central basketball team down just when it appeared that the Cards—second place winners in the conference last year—might present a serious challenge to the undefeated quint down Bradley Tech way.

Based purely on the record book, it was the most disappointing season Len Bieber ever suffered as head man of North Central's basketball destinies. But throughout the season two facts loomed that served to cheer North Central fans. They were: The decisive defeat of Wheaton, who seemed to think the days of North Central athletic domination were about over. Bieber "gave it to 'em" at Wheaton early in January, 53 to 32. Wheaton took another dreadful drubbing back in Merner fieldhouse in a return game, 50 to 27.

The starting lineup usually found Joseph Morin and James Leasure, forwards; Captain Gilbert Keith, center; Johnny Tiefenthal and James Stucky, guards. Charles Bettinger, sophomore, stepped into the starting lineup when ineligibilities hit the squad.

Departing seniors included Joseph Morin, Clinton; Captain Gilbert Keith, Hinsdale; John Tiefenthal, Maywood; Robert Steinhebel, Maywood; Claire Oesterle, Reddick; and Donald Hofer, Broughton, Kansas.

The season opened against the University of Chicago, North Central losing, 36 to 28. The Cards led, 19 to 18, going into the last quarter despite the departure from the game of Leasure on 4 personal fouls shortly after the half. Chicago broke loose to count 18 points in the last 10 minutes to sew up the otherwise close contest.

First Row—MANAGER WHITE, LEASURE, MORIN, KEITH, STUCKY, TIEFENTHAL, COACH BIEBER. Second Row—OESTERLE, BEEBE, HOFER, BETTINGER, STEINHEBEL, BRECHEISEN, GILLOGLY, IMMEL, UMRREIT.

CAPTAIN KEITH

STUCKY

MORIN

TIEFENTHAL

Arkansas State's touring five found the North Central reception a little too warm, losing 50 to 27. The winner's attack clicked for the first time. Leasure led North Central with 22 points.

Unexpected opposition was met in Elmhurst on the latter's floor. Ragged play marked the game which North Central eventually won, 39 to 29. Ability to control the ball off the backboard was the deciding factor.

Highlight game of the season came with North Central burying Wheaton, 53 to 32. Leasure enjoyed a field day with a personal contribution of 25 points toward the North Central total. It was the first North Central victory over Wheaton on the latter's floor since 1936.

If the Wheaton game was the highlight, then the Illinois Wesleyan contest was the crucial battle of the season—the turning point—the Gettysburg, the Marne, and what have you. For it was now that a victory would give North Central the needed confidence to round out its season. Bieber almost turned the trick, but he could not match the Wesleyan reserve power that never failed to come in and out of the game with monotonous precision. The final score was 35 to 32. North Central just missed victory, and the score seemed to signify that just a little reserve power was needed to carry the team through the remainder of the season—was the difference between the close defeat and a victory.

James Millikin's last half rally, with 5 minutes to play, was enough to defeat North Central, 35 to 27, although the Cards had led most of the way. Again it was the same old story: the regulars tired as Millikin continued its torrid attack until the final whistle.

Augustana dumped North Central, 44 to 30, on its home floor four days later. Again North Central was very much in the game, in fact the score was tied at 20 all at half time.

North Central hit the victory trail against Lake Forest on the loser's floor, 40 to 31. North Central led throughout.

LEASURE

OESTERLE

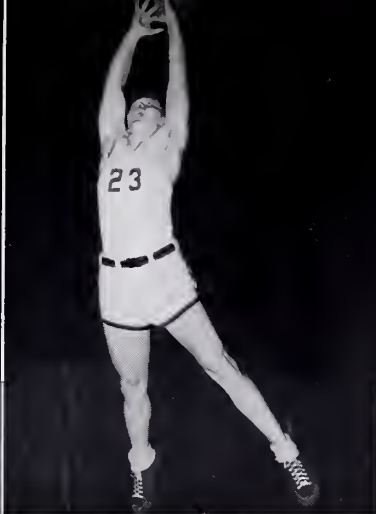

BETTINGER

UMBREIT

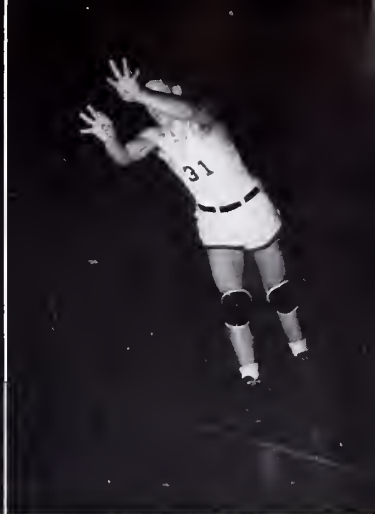

GILLOGLY

IMMEL

STEINHEBEL

BEEBE

Leasure leading the attack with 16 points. The following week, at Merner fieldhouse, North Central had to go into overtime, then count a field goal in the last 2 seconds to defeat the same team, 36 to 35. Woodrow Innell scored the winning field goal.

Carroll showed too much all-around class at North Central in a rough game which was won, 34 to 28. Then Wheaton "took it on the chin" again, this time to the tune of 50 to 27.

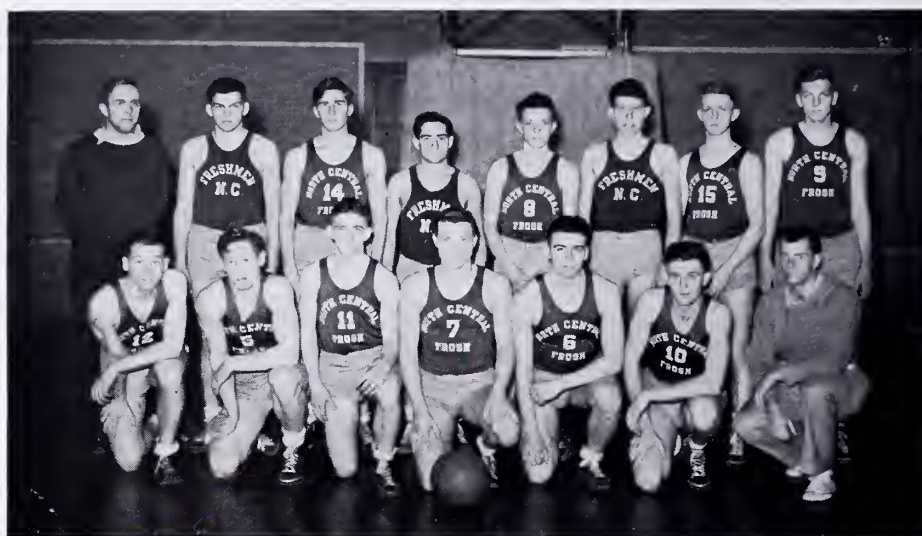

Augustana's second place Vikings had too much height under the basket and won, 39 to 30, at Naperville. Then Armour Tech invaded the fieldhouse to fall before a slow North Central attack, 29 to 25.

Illinois Wesleyan's athletic and coaching troubles only served to inspire its team which walloped Central, 47 to 19, in Bloomington. Another road trip into Wisconsin brought North Central a 36 to 26 defeat at the hands of Carroll.

Winding up the season with a 44 to 36 win over Millikin, North Central showed its best form since early in January. James Breckheisen, Colorado sophomore, sparked the team after North Central had left the floor at half time trailing 26 to 16.

GOLF

Another sport was born at North Central in 1938. Golf, which has become an increasingly popular sport in all high schools and colleges, made its debut on the campus last spring and appears to have firmly entrenched itself in the athletic program.

Conceived in Coach Leonard Bieber's Physical Education class, the sport grew to the rolling greens of the Naperville Country Club and thence to the rainswept fairways of Knox Municipal Course.

Four boys, three Seniors and a Junior, formed the first golf team. Some eight colleges in the Illinois College Conference had teams already. A frantic scramble for matches followed; Wheaton was contacted and a match was arranged.

With no tournament experience and a minimum of practice behind them, the Cardinal foursome met Wheaton on the Green Valley Course. John Clubb shot in the front position, followed by Duane Cann, Edward Anderson, and Clifford Graf. North Central won handily, 16 to 2.

Because the tennis team turned its expense money over to the golfers, North Central's newest sport was represented in the Conference meet.

Inexperience and the handicaps of the treacherous Knox course proved too difficult an assignment for North Central. Best Cardinal score of the tournament was posted by John Clubb, who came in with a 78. Bradley Tech, Knox, and Monmouth finished 1-2-3 when final tournament scores were posted.

More dual meets, a more liberal allowance from the athletic committee, and more varsity candidates were expected to make for a better golf team this year,—both in skill and in the popularity of the sport.

TRACK

Outdoor Track, 1938

Once again North Central ruled the Illinois College conference on the cinder path.

Scoring a total of 68 and 2-5 points in the first annual meet, held at Monmouth, North Central easily walked off with first place honors over the nine other colleges entered in competition.

Final conference standings follow:

North Central 68 & 2-5 points.

Illinois Wesleyan 46

Bradley Tech 25 & 7-10

Knox 22 & 1-5

Augustana 20 & 7-10

Illinois College 20

Monmouth 16

Wheaton 3 & 1½

Millikin 2 & ½

Lake Forest 0

North Central was paced by its co-captains, Eugene Keyes and Jack Lindstrom. Keyes took a first place in both mile and half mile runs; Lindstrom won the high and low hurdles.

Orville Wagner, freshman flash, broke the only record of the day when he travelled the 440 yards in 48.6 seconds, bettering the time of 48.9 seconds set by Hensel of Illinois Wesleyan in 1932. Wagner then came back to run second to Chittum of Wesleyan in the 220.

Summary of the North Central conference point winners:

Mile run—Keyes, first.

880 yard run—Keyes, first; Arlen, second.

440 yard run—Wagner, first; Stanger, third.

100 yard dash—Rikli, second; Heartt, fourth.

High hurdles—Lindstrom, first.

Low hurdles—Lindstrom, first.

Pole vault—White, first.

High Jump—Keith, tied for fifth.

220 yard run—Wagner, second; Rikli, third; Heartt, fifth.

2 mile run—Nelson, first.

Broad jump—White, fourth.

Mile relay—Won by North Central.

Graduating seniors on the team included co-captains Eugene Keyes and Jack Lindstrom, George Heartt, and Robert Teichmann.

Summary of the season's record follows:

North Central 60

Butler University 70

North Central lost its first outdoor meet to Butler University of Indianapolis on the Cardinal track, 70 to 60. By losing the final event—the relay—by a yard, North Central tossed away a chance for a final score of 65 all.

COACH FISHER

Jack Lindstrom set a new college record in the 220 yard low hurdles in :24.4. He also won the 120 yard high hurdles in :15.3.

Eugene Rikli won both the 100 and 220 yard dashes. Wagner took the 440 with a time of :49.9.

Other North Central first places were turned in by Robert White in the pole vault and discus throw. White took a third in the broad jump.

North Central 99

Wheaton 61½

Elmhurst 51½

Although five outstanding men were off winning honors at the Drake Relays, North Central was able to muster a strong team which overwhelmed Wheaton and Elmhurst in a triangular meet, here, by the afore-said mentioned score.

George Heartt turned in a double victory in the 100 and 220 yard dashes. He placed in both hurdle events also.

Harold Riebel and Bob Arlen ran a dead heat in the 440. Arlen then went on to win the 880. Robert White took a first place in both pole vault and javelin throw events.

North Central 99

Armour Tech 32

The Cardinals swamped Armour Tech, 99 to 32, in the last home-meet appearance of the year. In winning North Central took 13 firsts, eight seconds and six thirds.

Eugene Keyes set a new track record when he ran the half-mile in 1:59.9. His former record was 2:00.1.

The North Central mile relay team gave Armour a 40 yard handicap, but each Cardinal runner gained some of the distance and enough extra to let the anchor man, Orville Wagner, break the tape about 40 yards ahead of the last Armour runner. The relay team set a new record in this event by running the distance in 3:22.6. The old record was 3:27.0, held by Butler University and set earlier in the year.

ELMHURST INVITATIONAL

North Central's well-balanced team continued to travel along the victory road in the Elmhurst Invitational. The Cards piled up 52 points to easily take first place honors over DeKalb Teachers, who came in second with 38½ points. Milwaukee Teachers, Illinois Normal, Armour Tech, Bradley Tech, Illinois Wesleyan, Whitewater Teachers, Elmhurst, St. Viator and Wheaton finished in that order following the two leaders.

Orville Wagner set a new meet record in the 440, clipping a tenth of a second off the old record :50.5. Incidentally, Gordon Clark of North Central, held the former record.

RIEBEL

HENNING

North Central won the following places to score its points:

- 100 yard dash—Rikli, first. Time 10.2.
- 220 yard dash—Wagner, first; Rikli, second. Time .22.5
- 440 yard run—Wagner, first. Time :50.4.
- 880 yard run—Arlen, third; Keyes, fourth. Time 1:56.6.
- One mile run—Keyes, third. Time 4:33.9.
- Two mile run—Nelson, fifth. Time 10:10.5.
- One mile relay—North Central, first (Stanger, Reibel, Arlen, Rikli). Time 3:31.8.
- High Jump—Henning, second. Height 5'10".
- Pole Vault—White tied for first. Height—11'6".
- Broad Jump—White, third. Distance 21'4 $\frac{3}{4}$ ".
- Javelin Throw—White, first. Distance, 172'5".

(Note: In each case the height or time or distance listed won the race or event.)

Indoor Track, 1939

North Central 33

Chicago 62

North Central 64

Armour Tech 31

The Cardinal thinclads swamped Armour's Techawks under a 64 to 31 score in the University of Chicago field house. The winners took eight of the eleven first places and scored a slam in the 440 and 880 yard runs. Barrett Saville led the individual scoring by counting a double victory in the hurdle events. The North Central mile relay team of Buck Rikli, Gordon Teichman, George Stanger, and Orville Wagner gave Armour a 165 yard lead and still beat them by five yards. The North Central winners were Rikli, 60 yard dash; 440, Reibel, North Central; 60 yard high and low hurdles, Saville; Two mile run, Enz; 880, Wagner; Pole vault, White and the mile relay.

CO-CAPTAIN KEYES

RIKLI

HEARTT

GROVES

North Central $66\frac{1}{2}$

Loyola University $28\frac{1}{2}$

For the second meet in succession, North Central won in a walk, this time defeating the Loyola University team. The Cards took firsts in every event except the half mile, mile and the high jump. Saville again topped the scorers with two hurdle victories. A new field house record was set up by Lenover of Loyola when he ran the half mile in 1:59.2, six-tenths of a second under the old record. Bob Arlen, Harold Riebel and George Stanger finished in that order in the 440.

Seven North Central college athletes invaded the Illinois Relays held at the University of Illinois and came off with a record-breaking first in the mile relay and a third in the two mile relay. Bob White ranked sixth in the all-around competition. Buck Rikli, George Stanger, Bob Arlen and Orville Wagner were the runners in the record mile relay. Their time was 3:23.9, knocking over two seconds from the records set by Pittsburg Kansas Teachers in 1928. Wagner, as anchor man, ran a :48.8 quarter to overtake and pass the last runner of Toledo university who was 15 yards ahead as Wagner got the baton. All four boys received gold Elgin wrist watches as their first place reward.

The members of the third place two-mile relay team were Harold Riebel, Bob Arlen, Marvin Weishaar and Orville Wagner.

North Central $50\frac{1}{2}$

Milwaukee Teachers $53\frac{1}{2}$

For the third time in the history of the North Central field house, a Cardinal track team was defeated at home as the Milwaukee Teachers squad took a three-point victory. Grinnell college of Iowa and the University of Chicago are the only other teams to accomplish this feat. Ted Tetzlaff led the Milwaukee team as he scored 17 points for individual scoring honors. He took first in the broad jump and 60 yard high hurdles, seconds in the 60 yard low hurdles and shot put, and a third in the 60 yard dash. He also ran anchor man on the relay team. Milwaukee took seven firsts, five seconds and three thirds. Casey Cebrowski won the two-mile run for Milwaukee in 10:19.7 as he lapped the rest of the field. North Central's quarter-milers again slammed their event, Wagner, Stanger and Givler finishing in that order.

WEISHAAR

SCHENDEL

WHITE

ARLEN

KEITH

TEICHMANN

MIDWEST MEET

Butler University of Indianapolis, Indiana, won the third annual running of the midwest intercollegiate indoor track and field meet with a total of 46 points. North Central took an easy second with 31 points, $8\frac{1}{2}$ points ahead of Coe College, the third place winner. In the three years that this meet has been held in the North Central field house, North Central has placed first, third and second, respectively. Butler scored firsts in the mile, 60 yard high and low hurdles. In addition, they took three seconds, four thirds, three fourths and one fifth. Charles Marshall of Butler was the meet's high scorer, collecting fifteen, the highest total ever gathered by one competitor in a Midwest meet. He took firsts in both hurdle events, a fourth in the broad jump and third in the high jump. Buck Rikli won the 60 yard dash; Wagner the quarter; Bob Arlen the half mile run, Bob White the pole vault for the second year in succession, and the mile relay team of Harold Riebel, Lester Briggs, George Stanger and Buck Rikli won their event.

North Central lost its Armour Relay team championship to Michigan Normal of Ypsilanti, Michigan, but they managed to collect 42 points and second place. Twenty-two other colleges were entered in the meet. Both the mile relay team and the medley relay team won their events. Buck Rikli won second in the 70 yard dash. Orville Wagner came within a half second of the world's indoor record in the quarter as he turned in a :49.4 performance.

Orville Wagner placed third in the quarter mile run at the Central intercollegiate meet held at Notre Dame University. Bob White tied for second place in the pole vault. Frank Ohl and Johnny Woodruff, both of Pitt., placed ahead of Wagner in the 440. Bob White was tied with Dean of Notre Dame and Frid of Michigan State at 12 feet, 9 inches in the pole vault.

MANAGER WENDLAND

STANGER

Both of North Central's entries in the Chicago Relays came out victorious as Orv Wagner won his heat of the university 600 yard race in 1:15.9. The mile relay team of Rikli, Riebel, Arlen and Wagner easily defended their college mile crown as they beat Northern Illinois Teachers and Illinois State Normal university.

First Row—HEILMAN, TIEFENTHAL, CAPT. GUZAUSKAS, OESTERLE. Second Row—MANAGER DEILY, COOPER, BABST, GABEL, BETTINGER, COACH BIEBER. Top Row—CLODJEUX, HAYDEN, THIEL, PARKER, KIEKHOFER.

BASEBALL 1938

After a slow start, North Central closed the season with a rush, recapturing the championship of the Northern Illinois League which was lost in 1937 to Armour Tech. The Cardinals won seven, lost four and tied one game in league competition.

Final league standings were:

	W.	L.	Pct.
North Central	5	1	.833
Armour Tech	4	2	.666
Wheaton	3	3	.500
Elmhurst	0	6	.000

Once again it fell to the lot of Johnny Tiefenthal, Maywood junior, to lead North Central, both offensively and defensively. Tiefenthal had a remarkable season at the bat, collecting 19 hits in 47 trips to the plate. Eleven of these safeties came in consecutive appearances, which set an all-time league record in this department.

On the pitching hill, where, supposedly most of the strength of a college ball team is determined, Tiefenthal was also a standout by appearing in 9 games, winning 4 and losing 3.

The team enjoyed a better season than in 1937, both in individual and collective averages. Outstanding achievement was the double defeat of Armour Tech which clinched championship honors of the Northern Illinois League.

Four seniors, co-captains Herbert Heilman, shortstop; and Tony Guzauskas, catcher; together with pitchers Carlton Hibbard and Dennis Bapst, will be lost to the 1939 squad through graduation.

Other letter winners included John Tiefenthal, pitcher, and Clare Oesterle, left fielder, co-captains, and Karl Parker, catcher, all juniors; Richard Hayden, first base; Donald Cooper, second base; Charles Bettinger, third base; Ward Thiel, Clyde Gabel, outfielders; and Gilbert Keith and James Leasure, pitchers.

During the 1938 season North Central defeated Armour Tech and Elmhurst, each twice; and Wheaton, St. Procopius, Monmouth and played a three-three tie game with Illinois Normal. The Cardinals lost twice to Illinois Wesleyan, and one game to Bradley Tech and Wheaton.

The team as a whole batted .270, thirty five points higher than the .235 mark set up in 1937. The .918 fielding average was three points better than the 1937 record of .915. Five regulars—Heilman, Oesterle, Parker, Gabel and Thiel bettered 1937 averages at the plate.

Outstanding game of the year was the 13 to 12, ten inning win over Armour Tech. Trailing 10 to 2, going into the eighth inning, the Cardinals rallied to tie the score then come back to score three times in the tenth to win.

Composite box score of 1938 season:*

Batting Order	Games	AB.	R.	H.	PO.	A.	E.	Bat. Av.	Field. Av.

North Central 14

St. Procopius 2

North Central took advantage of six errors and collected nine timely hits to win the opener from St. Procopius of Lisle, 14 to 2, on the local diamond. The score:

										R.	H.	E.
North Central	2	1	1	5	5	0	X	—		14	9	2
St. Procopius	0	0	0	2	0	0	0	—		2	7	6

BATTERIES: North Central—Keith, Bapst, Hibbard and Guzauskas, Parker. St. Procopius—Bajo and Atanon.

North Central 0

Illinois Wesleyan 4

The left-handed slants of Jim Myers proved too puzzling for North Central at Bloomington, and Illinois Wesleyan whitewashed the Cardinals, 4 to 0. Thiel and Hayden were the only North Central players to collect a safe hit. The score:

										R.	H.	E.
North Central	0	0	0	0	0	0	0	0	—	0	2	1
Illinois Wesleyan	2	0	0	1	0	0	0	1	X	4	8	1

BATTERIES: North Central—Tiefenthal and Guzauskas, Parker. Illinois Wesleyan—Meyers and Graf.

North Central 1

Wheaton 9

With the defense falling apart, and the offense being limited to six scattered hits, North Central dropped a 9 to 1 decision to Wheaton for the second consecutive loss of the season. The score:

ion to Wheaton for the second consecutive loss of the season. The score:										R.	H.	E.	
North Central	0	0	0	0	1	0	0	0	0	—	1	6	7
Wheaton	0	0	3	0	2	2	0	2	X	—	9	13	1

BATTERIES: North Central—Leasure, Keith and Guzauskas. Wheaton—Stuart and McDonald.

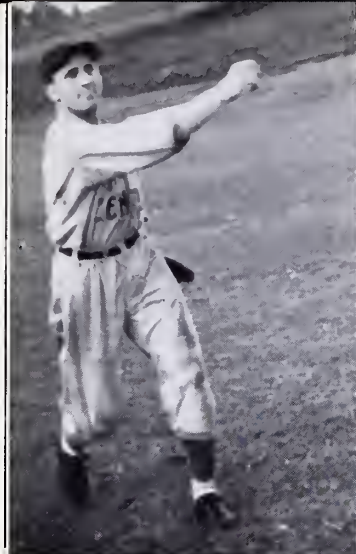

North Central 8

Elmhurst 3

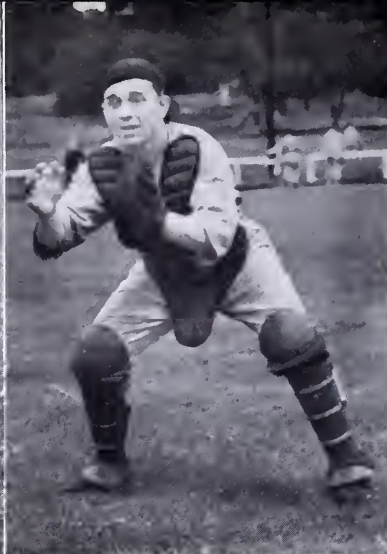

Coach Len Bieber juggled his lineup to overcome a slump and the result was an 8 to 3 victory for North Central over Elmhurst in the second home game of the season. North Central took advantage of 9 Elmhurst errors.

The score:											R.	H.	E.
North Central	3	2	1	1	1	0	0	1	X	—	8	8	0
Elmhurst	0	0	0	0	0	3	0	0	0	—	3	4	9

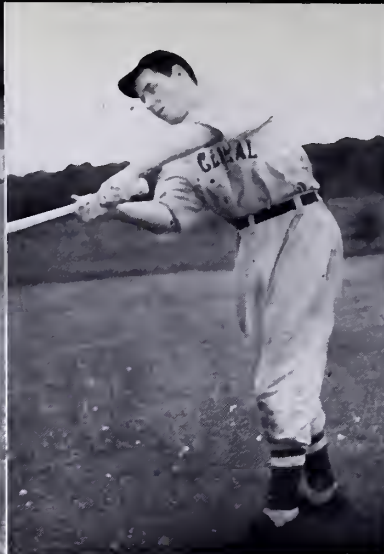

BATTERIES: North Central—Bapst, Tiefenthal, Hibbard and Parker. Elmhurst—Luehman, Basche-Grunewald.

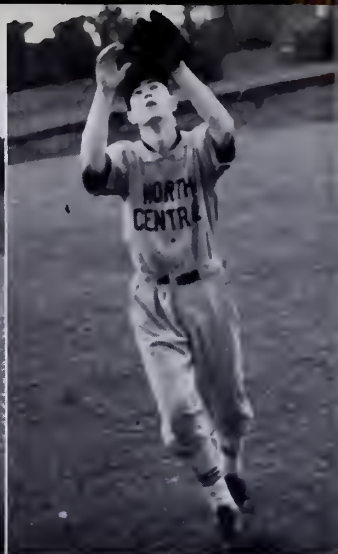

TIEFENTHAL

CAPTAIN GUZAUSKAS

GABEL

THIEL

North Central 11

Armour Tech 0

Johnny Tiefenthal hurled his best ball in two years, North Central batsmen pounded out 15 hits, the opposition committed 8 errors and the result was an unexpected 11 to 0 victory for the Cardinals. Dick Hayden, sophomore, led the attack with 3 hits. The score:

North Central	4	1	0	1	0	0	1	4	0	—	R.	H.	E.
Armour Tech	0	0	0	0	0	0	0	0	0	—	11	15	2
BATTERIES:	North Central—Tiefenthal and Guzauskas. Armour Tech—Pashcha, Kallell, Odess and Buche.										0	1	8

North Central 13

Armour Tech 12

A terrific rally in the last two innings turned a 10 to 2 loss into a 13 to 12 victory for North Central in a return game with Armour Tech the following week. The win practically clinched the championship for North Central. The score:

North Central	0	0	1	0	0	1	0	8	0	3	R.	H.	E.
Armour Tech	0	1	3	2	1	0	3	0	0	2	13	19	7
BATTERIES:	North Central—Tiefenthal and Guzauskas. Armour Tech—Krause, Gilbert, and Siedenber.										12	15	3

North Central 19

Elmhurst 16

In a wild batting orgy, North Central finally outlasted Elmhurst to gain a 19 to 16 victory. Leasure and Oesterle hit home runs for the winners. Luehmann connected for the circuit for Elmhurst. The score:

										R.	H.	E.
North Central	0	2	0	4	0	3	4	0	6	19	17	6
Elmhurst	3	0	4	3	2	1	0	1	2	16	16	7
BATTERIES: North Central—Keith, Leasure, Hibbard, Tiefenthal and Parker, Guzauskas.										Elmhurst—Luehmann and Steffen.		

North Central 8

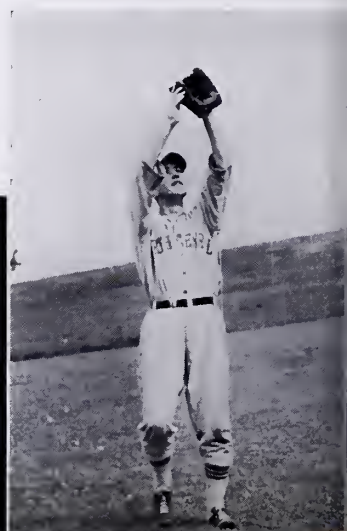

Illinois Wesleyan 17

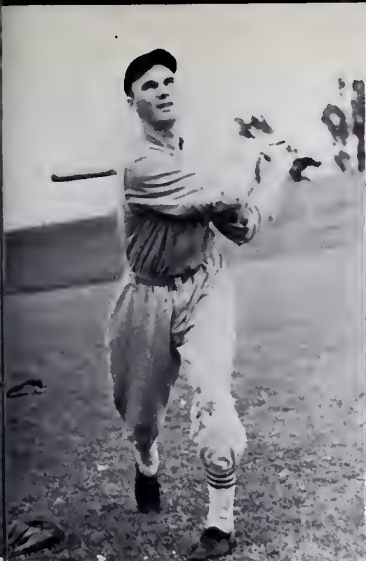

The Cardinals continued to put on a show of power without any kind of pitching to back up the hitting, and Illinois Wesleyan won a ragged contest before the annual College Day crowd, 17 to 8. Tiefenthal, ace of the North Central mound staff was visably tired and was batted from the box in the sixth. The score:

Illinois Wesleyan	5	0	1	0	2	5	2	2	0	—	R.	H.	E.
North Central	0	3	0	0	0	3	0	0	2	—	17	20	2
BATTERIES:	Illinois Wesleyan—Lukes, Gage, Lakafka and Graff. North Central—Tiefenthal, Hibbard and Guzauskas.										8	11	5

HAYDEN

CLODJEAUX

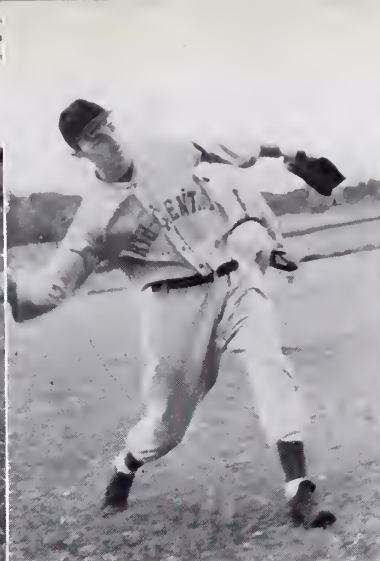

COOPER

PARKER

BARST

HEILMAN

North Central 2

Monmouth 1

Dick Hayden's hitting, Carlton Hibbard's pitching, and airtight support that produced 3 double plays combined to give North Central a 2 to 1 verdict over Monmouth. Hayden scored both runs on three hits. Hibbard limited Monmouth to three hits. The score:

	R.	H.	E.
North Central	1	0	0
Monmouth	1	0	0

BATTERIES: North Central—Hibbard and Guzauskas. Monmouth—Howe and Skinner.

North Central 2

Bradley Tech 8

Long power hitting overcame North Central as Bradley Tech pounded out an 8 to 2 victory. Bertolino and Panish hit home runs in the first inning. The score:

	R.	H.	E.
North Central	0	0	0
Bradley Tech	4	0	0

BATTERIES: North Central—Tiefenthal and Guzauskas. Bradley Tech—Hendricks and Messinger.

North Central 4

Illinois Normal 4

Illinois Normal rallied in the eighth inning to gain a 4 to 4 tie game before rain halted hostilities in the 9th inning. It was the last game of the season for North Central. The score:

	R.	H.	E.
Illinois Normal	0	0	2
North Central	1	0	0

BATTERIES: Illinois Normal—Frey and Garnik. North Central—Tiefenthal and Guzauskas.

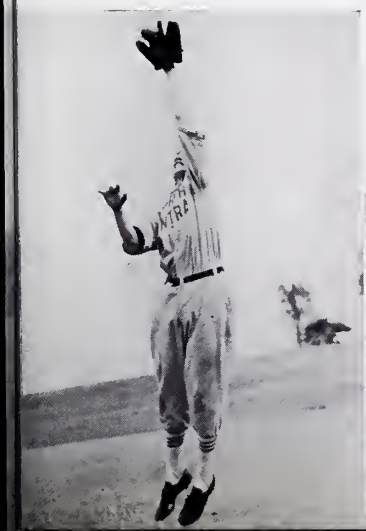

North Central 4

Wheaton 2

North Central clinched championship honors in the Northern Illinois Baseball league with a 5 to 2 victory over Wheaton. The win gave the two teams one victory each in their dual series. The score:

	R.	H.	E.
Wheaton	0	1	0
North Central	1	2	1

BATTERIES: Wheaton—Stuart and MacDonald. North Central—Tiefenthal and Guzauskas.

BETTINGER

OESTERLE

MANAGER KOHN, HOFER, SHIFFLER, OGBORN, COLPITTS, BAYSINGER, COACH HOWER.

TENNIS 1938

Inexperience and hard luck dealt North Central its first set back in Tennis which the Cardinals have suffered in many years. A season's total of one win, two ties, and five defeats was the best that Coach Hower's charges could hang up.

The team failed to score a victory, although it had two ties to its credit, until the Lake Forest match when the win column was crashed by a score of four to two. Hofer, playing in the number one position and Ogborn in number two, won their matches and Hofer and Shiffler, and Ogborn and Baysinger paired up to win both doubles.

Three weeks later another victory was well within grasp when rain forced the meet to be called off. The intended victim was again Lake Forest.

Letter winners were Donald Hofer, Arlyn Shiffler, James Ogborn, and Hunter Colpitts. Harold Kohn received the manager's award.

A summary of the season follows:

North Central 3	Elmhurst 3
North Central 0	Univ. of Chicago "B"	7
North Central 1	Wheaton 5
North Central 3	George Williams 3
North Central 4	Lake Forest 2
North Central 2	Elmhurst 4
North Central 1	Wheaton 7

CHAMPIONSHIP SENIOR BASKETBALL TEAM
YOUNTS, YAGER, BOSSERT, SHOGER, HUBMER, WOMER

MEN'S INTRAMURALS

Intramural athletics enjoyed another successful season at North Central during the past year, with the four classes and the Evangelical Theological Seminary making up a five team league for softball, touch football and basketball competition.

Besides these team games, intramural athletics numbered among its various individual sports handball, tennis, golf, boxing and wrestling.

THIEL, Handball Champ

Gilbert Keith, '39, showed organizing ability in conducting the intramural program. He was ably assisted at various times by members of the physical education classes of coaches Len Bieber and Gordon Fisher.

The Seminary, with a well-balanced team, especially pitching, won the fall soft ball tournament. Class of '39 finished in second place.

During the winter season basketball held sway. The league was divided into class A and class B divisions. Games were played on Saturday afternoons, with officials—timers, scorekeepers, and referees—chosen from the physical education classes.

Under the direction of James Leasure, varsity forward, the class of '39 romped away with the team title with an unbeaten record over the season's play. Juniors finished in second place.

Leasure then took his winning five to Wheaton to battle the intramural win champs of that college. Wheaton edged out a 37 to 35 win on the strength of a big first half lead. The game will be an annual affair. Wheaton coming to North Central last year.

Handball crowned a champion in the person of Ward Theil, Aurora junior. Robert Herbin won a ping-pong tournament.

Robert Hollister defeated Robert Baysinger in the finals of the championship tennis tournament, played on Homecoming morning. Donald Hofer, varsity netman, handled this phase of intramural sport.

Spring program includes golf, tennis, and more softball.

CHAMPIONSHIP SEMINARY BASEBALL TEAM

MEN'S INTRAMURALS

MISS TANNER, Director

WOMEN'S ATHLETIC ASSOCIATION

OFFICERS

DOROTHY RICHERT	<i>President</i>
PEG HOBERT	<i>Vice-President</i>
JUNE HENKE	<i>Secretary</i>
ELIZABETH EMMERT	<i>Treasurer</i>
CLEO TANNER	<i>Adviser</i>

The Women's Athletic Association with "Womatha" as inspiration and President "Smithy" as her interpreter, has completed a most successful year.

The soccer, volleyball and basketball seasons having been completed with the Senior's champions (yes, champions—after four years) of each major sport. The baseball and swimming tournaments have not been completed as yet.

This year launched inter-collegiate meets in archery with Wheaton, in swimming with Mundelein, and possibly golf with Wheaton in the spring.

A banquet completes each sport season. The "Soccer Banquet" honors the tournament winners in soccer, archery and tennis and the "Basketball Banquet" in honor of volleyball, basketball and table tennis tournament winners besides preparing the pledges for initiation. In the spring a picnic brings the baseball, tennis-doubles and golf season to a close and the final awards of the year are presented.

The W. A. A. sponsored an all-college sports party the first semester besides giving an invitational sports party the second semester.

Members of the W. A. A. attend "Sports Days" at Illinois Normal, Chicago Normal, Dekalb, and North Park College, and once a year play "Hostesses" to other W. A. A.'s.

First Row—WENDLAND, JAYNE, EMMERT, HOBERT, RICHERT, TANNER, HENKE, JANNUSCH, WAGNER, HANMER. Second Row—LAIER, MONTEI, BEATTY, RUSSELL, CIGRAND, REIMER, HEMM, OLIVER, ZIEMER, D. KOCH, RAECKER, OLSON, PIPER. Third Row—COOPER, HAMMERSMITH, MILLER, LOCKE, PETERS, BUSSE, LOUNSBURY, NASH, TRACHTE, KOTTKE, REEVES, K. LEEDY, HAFENRICHTER. Fourth Row—MILLBERGER, D. LEEDY, YAGER, WILKIE, HALDEMAN, RUBY, CHATTERTON, CRAIG, SUHR, HECKAMAN, L. RAECKER. Top Row—DEMOTT, CHAMBERLAIN, WILKERSON, MAYER, D. ZIEMER, THORNTON, NALLY, WALKER.

BOARD OF CONTROL

Front Row—EMMERT, HOBERT, RICHERT, TANNER, HENKE, JANNUSCH.

Back Row—OLIVER, WENDLAND, JAYNE, MEDAL, HANMER, REIMER, HEMM, WAGNER.

Awards are given by the North Central W. A. A., consisting of class numerals at the time of initiation. The letter award is given after the completion of twelve W. A. A. activities in team and individual sports. The Association pin is awarded upon completion of sixteen activities, team and individual. The W. A. A. blanket is awarded to senior pin women with the best athletic skill, scholarship, sportsmanship, good appearance and posture, and activity in the association.

The Board of Control consists of fifteen members who meet twice a month. This year a new radio and refurbishing the club room is their major aim. The Board of Control consists of the four officers and the soccer, archery, hiking, tennis, volleyball, basketball swimming, baseball managers, the two social chairmen, and the Chronicle reporter.

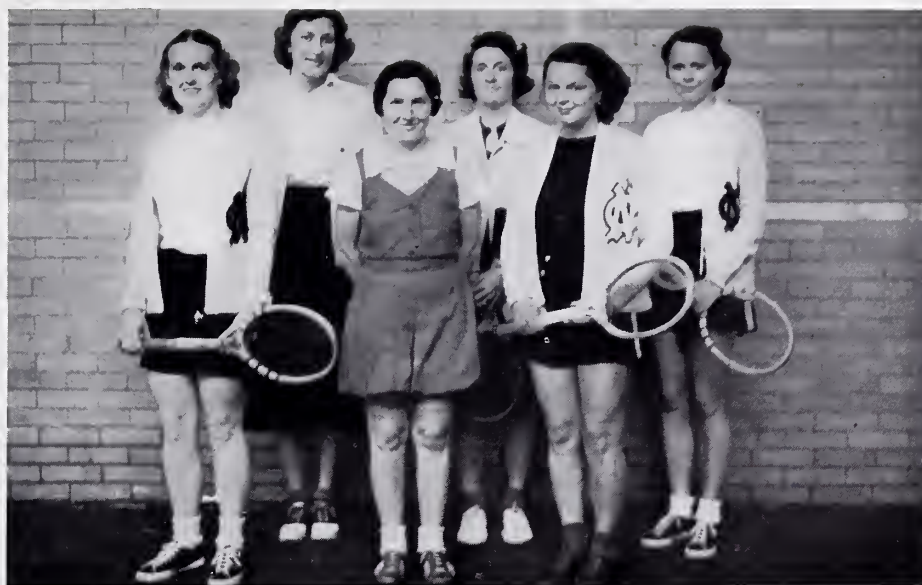

PIN AND LETTER WINNERS

First Row—WENDLAND, JAYNE, RICHERT, TANNER, JANNUSCH, PETERS.

Second Row—HANMER, HOBERT, WAGNER, HEMM, D. ZIEMER, REIMER.

Top Row—CIGRAND, BUSSE, LOUNSBURY, EMMERT, NASH, TRACHTE.

LOUNSBURY, RICHERT, TANNER, CANFIELD, SCHUG, EMMERT.

WOMEN'S VARSITY TENNIS 1938

North Central offers varsity competition for women only in tennis. A season's record of which any team could be proud was showed last spring as Coach Tanner's varsity team won four meets, lost one and tied two.

The Varsity team composed of Helen Canfield, Gertrude Lounsbury, Anne Schug and Elizabeth Emmert defeated Chicago Normal twice, Elmhurst and North Park Junior College once and tied Illinois College and Wheaton. Wheaton defeated North Central in the first match of the season. Matches with Oak Park Junior College, Elmhurst, and North Park Junior College were canceled because of weather conditions.

North Central had two doubles teams entered in the annual tournament held at James Millikin University. Helen Canfield and Anne Schug took third place honors with each girl receiving silver tennis balls as her award.

Helen Canfield, the first player, a member of the team for four years, graduated. Her absence will be felt by the team not only for her excellent playing but also for her fine sportmanship.

Letter winners were Helen Canfield, Elizabeth Emmert, Gertrude Lounsbury, Anne Schug and the manager Dorothy Richert.

SEASON'S SCORES

North Central 2	Wheaton 4
North Central 2	Illinois College (Jacksonville)	2
North Central 6	Elmhurst 0
North Central 5	North Park Jr. College (Chi.)	1

KROEHLER

Makes Dream Homes Come True

The selection of furniture for a new home is the first important decision made by a bride and groom.

You can't make a mistake in furnishing your home if you choose Kroehler. Built by the world's largest furniture manufacturer, Kroehler furniture represents the last word in style, design, comfort, and durability. Embodied in every Kroehler living room suite is the famed Kroehler 5-Star Construction which assures lasting beauty. Yet because of Kroehler's huge manufacturing facilities, prices are surprisingly low.

When the time comes for you to select furniture for a new home, be sure to inspect the new Kroehler designs. They are the greatest values to be had—with the hidden quality that assures lasting happiness.

ON MAINTAINING LEADERSHIP ...

- To win and consistently hold a place as the recognized leader of school annual printing, has been the record of Rogers Printing Company since its beginning in 1908.
- That we have, during a period of 31 years, successfully produced hundreds of annuals for schools throughout the country, attests our ability to satisfy completely the most discriminating Year Book Staff.
- New ideas, coupled with the knowledge and experience gained through a quarter of a century's service, insure the school that chooses a Rogers printed book of ideal pages "From Start to Finish."
- We are proud that the staff of THE SPECTRUM entrusted its printing to our organization and we herewith present it as an example of our work.

COOPERATION

Cooperation has been the by-word of the CHRONICLE; cooperation between the two staffs, cooperation between the staff in general and the student public, cooperation between the advertisers and the CHRONICLE in bringing to the students merchandise that is appropriate to them, by advertising for results and not merely for patronage.

In this spirit of cooperation the CHRONICLE management wishes to thank the advertisers for so nobly supporting our paper. In the same spirit sincere thanks go to our two efficient staffs who made cooperation their watchword.

MUTUAL BENEFIT

Mutual Benefit has been the aim of the CHRONICLE in dealing with its advertisers. In return for the splendid support tendered us by the merchants of Naperville the CHRONICLE has striven to give its patrons live copy, eye catching make up, and cheerful and efficient service.

It is the sincere wish of the whole staff in general and the business staff in particular that this has been a characteristic of this administration.
